INTRODUCTION**Section 1**

The *Subgrant/Contract Manual* has been prepared to provide uniform procedures and guidance for the administration of subgrants awarded by the Mississippi Department of Human Services (MDHS). The manual serves a three-fold purpose:

- To ensure subgrantee funds are used for the purposes for which they were awarded;
- To safeguard public monies to the greatest extent possible; and

NOTE: Revisions to the *Subgrantee Manual* are subject to amendment as deemed necessary. Subgrantees should not accept any amendment to the content of the Subgrantee Manual without a written authorization from the MDHS Executive Director and/or designee.

**FINANCIAL MANAGEMENT
OVERVIEW****Section 5**

The applicable federal regulations require that subgrantees, and any lower-tier subrecipients, have in place, prior to the receipt of funds, a financial management system that will provide:

- Accurate, current, and complete disclosure of the financial status of each subgrant;
- Records which identify the source and application of funds for subgrant-supported activities, specifically information pertaining to subgrant awards, obligations, unobligated balances, assets, liabilities, outlays, and income;
- Effective control over and accountability for all subgrant funds, property, and other assets;
- Comparison of actual expenditures with reported costs and budgeted costs for each cost category and work activity;
- Procedures to ensure that all cash requested under MDHS subgrants will be expended within thirty (30) calendar days of receipt;
- Procedures to minimize the time between receipt and expenditure of subgrant funds;
- Procedures to ensure that all expenditures are obligated within the effective dates of the subgrant period;
- Procedures for determining that the cost is allowable and that it may be allocated to an activity;
- Procedures to prohibit the transfer of funds between federally funded programs and/or between subgrants or between activities within the same subgrant;
- Procedures to ensure that each expense paid from a subgrant was authorized in the budget of the subgrant charged with the expense;
- Accounting records (including a general ledger or comparable) that are supported by source documentation;
- Audits which analyze the fiscal integrity of the subgrantee (required for subgrantees that expend \$500,000 or more of federal financial assistance); and
- A systematic method to assure timely and appropriate resolution of findings identified in audits or management reviews.

**FINANCIAL MANAGEMENT
ACCOUNTING PROCEDURES****Section 5**

Separate financial records shall be maintained for each subgrant. Separation serves record keeping requirements and also eliminates potential conflicts with the subgrantee's usual record keeping systems which may reflect a different fiscal year, or accounting by function or department rather than by subgrant or work activity. Each subgrantee shall maintain one set of accounting records for the entire subgrantee entity which shall separately identify the receipts and disbursements for each subgrant or other source of funds.

The subgrantee shall be able to isolate and trace every subgrant dollar from receipt to expenditure and have on file appropriate support documentation for each transaction. Examples of documentation are vendor invoices, bills of lading, purchase orders, payment vouchers, payrolls, bank statements and reconciliations, documentation to verify that only eligible clients were served; employee activity sheets to verify activities performed and the actual hours worked for each activity/subgrant; and, cash receipt logs to verify all funds received and the actual date of receipt.

All the basic accounting records and documents listed below comprise the framework for a good financial management system. If implemented properly, such a system can provide accurate, current, and complete disclosure of the financial status of each subgrant, work activity, and cost category:

- Cash Receipts Journal
- Cash Disbursements Journal
- Payroll Journal
- General Journal
- General Ledger

Subgrantees shall develop their accounting system to meet the particular needs of the subgrant. If there are very few transactions, it may be more efficient to omit the cash receipts and cash disbursements journals and record all funds received and disbursed in the general journal. The amounts recorded daily to the individual accounts shall be totaled and posted to the general ledger at least monthly in order for the subgrantee to complete the monthly reporting worksheet. Recording procedures shall be designed to provide information accurately while at the same time serving as an effective control in preventing mistakes and safeguarding against unauthorized uses of funds.

FINANCIAL MANAGEMENT
INTERNAL CONTROLS**Section 5**

Subgrantees of MDHS shall have in place a financial management system which contains adequate internal controls for the administration of the subgrant program. This system of internal controls will be tested during an audit or management review of the subgrantee.

The following internal accounting control procedures are required of MDHS subgrantees:

- Record all cash receipts immediately;
- Compare deposit slips with receipts;
- Bond employees who handle cash;
- Deposit all checks or other cash receipts intact within two business days;
- Make all payments by pre-numbered checks;
- Reconcile bank accounts monthly by reconciling the cash balance in the accounting records to the cash balance in the bank account and retain a copy of the reconciliation in the files;
- Use serially numbered purchase orders and receiving reports;
- Issue checks to vendors only in payment of original invoices which have been approved and matched with purchase orders and receiving reports;
- Separate staff duties so that one person does not perform all accounting functions from the time funds are received until the funds are disbursed.
- Mark all documentation paid to prevent duplicate payments; and
- Retain a CPA firm for an audit, if required. (See the Audit section of this manual for exceptions.)

FINANCIAL MANAGEMENT**Section 5**

The following internal control procedures should be considered by relatively small subgrantees (having less than \$100,000 in federal awards):

1. All checks shall be co-signed and all supporting documentation shall be closely reviewed and marked paid before or as each check is signed.
2. The principal officer of the subgrantee organization shall oversee all cash collections.
3. Closely examine all monthly reporting to MDHS, noting, in particular, any unusual month-to-month and budget-to-actual account variances.
4. Someone other than the person who prepares the checks shall reconcile the monthly bank statement. (This could be an assigned or rotating task.)

DOCUMENTATION REQUIREMENTS

The accounting system of each MDHS subgrantee shall provide the monitors/auditors with adequate documentation to support the subgrantee's financial claims. Source documents are required to support transactions entered into the subgrantee's record keeping system. The following is a list of the minimum documentation required for selected transaction types:

CATEGORY**DOCUMENTATION****Grant Revenues**

Identification of the source of funds (i.e., signed subgrant agreement), request for cash or request for reimbursement (i.e., monthly reporting worksheet), cash receipts journal, validated deposit slips, withdrawals, and financial reports.

Time sheets and activity reports which reflect the actual hours worked and duties performed. Time distribution/activity sheets are required when the employee's time is charged to more than one subgrant or activity.

Indirect Costs

An agency-wide cost allocation plan or indirect cost rate agreement that has been reviewed and approved by the appropriate federal cognizant agency and the MDHS funding division, identification of indirect costs in the accounting records that support the actual indirect cost incurred, and evidence to support the monthly allocation of indirect costs to the subgrant.

FINANCIAL MANAGEMENT
COST ALLOCATION/INDIRECT COSTS**Section 5**

Many MDHS subgrantees administer more than one subgrant at a time which results in costs that are shared among various subgrant programs and/or other funds such as local resources. In these cases the subgrantee shall document the basis for allocating a portion of the shared costs to the MDHS subgrant and the costs shall be distributed in reasonable proportion to the benefits received.

Each subgrantee shall develop an agency-wide cost allocation plan and/or indirect cost rate agreement which covers the subgrantee's entire operations. Costs included in the plan should be only those costs that are not easily identifiable with a particular subgrant and/or administrative costs of the subgrantee which shall be equitably distributed to all subgrant programs and/or other sources of funds in proportion to the relative benefits received.

If indirect costs are charged to an MDHS subgrant, a formal cost allocation plan or indirect cost rate agreement, that is effective on the beginning date of the subgrant, shall be prepared and submitted as a part of the subgrant agreement. If the subgrantee's cost allocation plan and/or indirect cost rate agreement is updated during the effective dates of the subgrant, a copy of the updated plan shall be submitted to the MDHS funding division that awarded the subgrant.

The cost allocation plan and/or indirect cost rate agreement submitted with the subgrant shall be developed in compliance with the requirements contained in the cost principles applicable to each subrecipient, i.e., OMB Circular A-21 for Institutions of Higher Education, A-87 for State, Local and Indian Tribal Governments, A-122 for Nonprofit Organizations, and the Federal Acquisition Regulation (FAR) at Title 48 CFR Part 31 for Commercial Organizations.

Careful scrutiny of all vouchers and invoices by subgrantees and/or by MDHS is necessary to verify that they are only for legitimate costs, eligible under the governing regulations, and authorized in the subgrant agreement. Management reviews shall include testing to ensure that costs are properly allocated to the correct subgrant and work activity.

The following is a listing of selected types of costs and suggested bases for distributing shared costs as direct costs to MDHS subgrants:

Salaries/Fringe Benefits	Number of hours worked for each subgrant/activity.
Auditing	Direct audit hours; dollar amount of each subgrant in proportion to the total amount audited.

FINANCIAL MANAGEMENT**Section 5**

Office Space Used and Related Costs	Square feet of occupied space (Utilities, Janitorial Service, etc)
Local Telephone Expenses	Number of telephones.
Fidelity Bond Expense	Employees subject to bond or penalty amounts
Motor Pool Costs	Number of miles driven and/or days used.
Printing and Reproduction	Direct hours, job basis, pages printed, etc.
Copy Machine Rental and Related Costs (Paper, Toner, Drum, etc.)	Number of copies made as documented by a copy log or access code
Postage	Amount of postage used by each subgrant/activity as documented by a postage log.
Payroll/Independent Contractors	Employees/Independent Contractors paid in whole or in part from MDHS subgrant shall prepare time sheets indicating the hours worked each pay period. The distribution of payroll charges and/or payments to independent contractors shall be based on the actual time worked for the benefit of the subgrant/activity.

LOWER-TIER SUBRECIPIENTS

All expenditures that involve agreements between the subgrantee and a third party (performing a service related to the program) shall be fully disclosed in the cost summaries and budget narrative. If authorized, any lower-tier subrecipient agreement shall require the lower-tier subrecipient to comply with the provisions of the MDHS Subgrant/Contract Manual. Copies of rental agreements, service contracts, consultant agreements, etc. shall be available to validate the basis of the cost category. In addition, any procurement contract agreement received in response to solicitation, shall be submitted to MDHS within 30 days after execution.

FINANCIAL MANAGEMENT
BUDGET PREPARATION**Section 5**

The budget is a tool used by the subgrantee to express its planned goals and objectives. It is a management tool to be used in addressing general management functions such as planning, operational performance, and control. The subgrantee fiscal staff shall have on file the currently approved subgrant budget including any approved modifications. The required forms and accompanying instructions that shall be used in preparing a budget for MDHS subgrants are:

- Budget Summary ([MDHS-BS-1006](#)): A compilation of the detailed data contained in the Cost Summary Support Sheet ([MDHS-CSSS-1007](#)).
- Cost Summary Support Sheet ([MDHS-CSSS-1007](#)): A listing of the various budget categories separated for each activity on the Budget Summary ([MDHS-BS-1006](#)).
- Budget Narrative: A written justification adequately explaining the subgrantee's funding needs. The narrative shall relate funding needs to the operation of individual programs or activities. Sufficient detail within each line item of expenditure and each activity shall be used to clearly explain the funding needs of the operation. Insufficient narrative justification will preclude favorable consideration of requested funding levels. (See the Sample Budget Narrative at the end of this section.)

Budget Activities

Each MDHS subgrant shall be organized and budgeted by activities according to the major functions necessary to accomplish the goals and objectives of the subgrant. This grouping by activities shall be used in preparing the Budget Summary and Cost Summary Support Sheets as well as the Budget Narrative.

If any administrative costs (direct or indirect) are included in the subgrant, they shall be budgeted in an Administration activity subject to any limits on the amount of administration that may be charged to the subgrant. Subgrantees shall consult with the MDHS funding division to determine which activities are allowable under the subgrant and whether there are any limits on the amount of administrative costs that may be charged to the subgrant.

FINANCIAL MANAGEMENT**Section 5****Budget Categories**

Funds authorized under MDHS subgrants shall be separated into the following Budget Categories. Amounts budgeted shall also be identified by the source of funds, i.e., Federal, State, Local, and/or Program Income.

- | | |
|-------------------------|--------------------------------|
| a. Salaries and Wages | f. Capital Outlay – Equipment |
| b. Fringe Benefits | g. Capital Outlay - Other |
| c. Travel | h. Subsidies, Loans and Grants |
| d. Contractual Services | i. Indirect Costs |
| e. Commodities | |

Salaries and Wages:

Payments made to officers and employees of a subgrantee as compensation for personal services based on the percentage of time dedicated to the subgrant. The salary budget category shall contain a line item or listing of each position authorized and the salary amount to be paid to each full-time employee and/or the hourly rate authorized and number of hours authorized for each part-time employee charged to the subgrant. The salary budget category shall be strictly adhered to unless a formal modification of the subgrant is approved. A vacant position may be filled at or below the budgeted rate only and no additional positions may be charged to the subgrant unless authorized.

Fringe Benefits:

Payments made for the employer's portion of expenses for social security (F.I.C.A. and Medicare), employee health, life, and/or disability insurance premiums, worker's compensation insurance, unemployment insurance, and pension plan costs. The fringe benefits budget category may include compensation paid to employees during periods of authorized absences from the job for vacation leave, sick leave, and/or military leave provided such costs are absorbed by all of the subgrantee's activities in proportion to the relative amount of time or effort devoted to each activity. The fringe benefits budget category shall contain a line item or listing of each fringe benefit authorized on the Cost Summary Support Sheet and in the Budget Narrative. Fringe benefits shall be limited to no more than 30% of salaries, unless justification is submitted in the budget narrative, and approved by funding division. The amounts withheld from the employee's gross pay (i.e., federal and state taxes, employee health/life/disability insurance premiums) cannot be budgeted or claimed for reimbursement under the subgrant as fringe benefits.

Travel:

Payments for transportation, lodging, subsistence and related costs to employees, officers, and volunteers who are in travel status on official business. Travel includes reimbursement for in-state travel, out-of-state costs for conferences, meetings, etc., and staff reimbursement for the use of privately owned vehicles for project-related functions. The rate of reimbursement per mile will be

FINANCIAL MANAGEMENT**Section 5**

at the rate approved by The Department of Finance and Administration on the date that travel was performed as long as the total amount of the subgrant award charged with the expense is not exceeded. Meal costs will be reimbursed based upon the actual cost of each meal, up to the maximum daily meal rate, and receipts will not be required for meals reimbursed through subgrants funded by MDHS. No travel shall be allowed for employees funded through other programs unless approved by MDHS. (See the Travel section of this manual for specific details.)

Contractual Services:

Payments for services rendered by persons other than by employees of the subgrantee under formal, written, contractual agreements. Examples include: postage, telephone/Internet/pager service, utilities, rent, repair or service agreements, service charges, computer software, or contract workers that are independent contractors. (See the Procurement and Purchasing section of this manual for details on acquiring contractual services.)

Commodities:

Payments for materials and supplies with an initial unit cost less than \$1,000.00 (one thousand dollars) which are used to benefit the subgrant and which are not one of the items required to be reported on inventory regardless of the purchase price. Examples include: snacks for eligible clients, office supplies, training materials, fuel for vehicles, furniture and equipment costing less than \$1,000.00 (one thousand dollars), etc. (See the Inventory Management section of this manual for specific exceptions.)

Capital Outlay - Equipment:

Payments for the purchase of equipment, machinery, furniture and fixtures with a unit cost of \$1,000.00 (one thousand dollars) or more and any items which are required to be reported on inventory; **or**, payments for compensation for the use of equipment on hand through depreciation or use allowance charges computed in accordance with the cost principles applicable to the subgrantee. Examples include: computers, printers, office furniture, telephone systems, motor vehicles, etc. (Refer to the Inventory Management section of this manual for details.)

Capital Outlay - Other:

Payments for improvements to buildings that materially increase the value or useful life of the building; **or**, payments for compensation for the use of buildings through depreciation or use allowance charges computed in accordance with the cost principles applicable to the subgrantee.

Subsidies, Loans and Grants:

Payments made for assistance to clients and/or for lower-tier subgrants to governmental and non-governmental entities or individuals.

FINANCIAL MANAGEMENT**Section 5****Indirect Costs:**

Payments for the recovery of actual costs allocated to MDHS subgrants in accordance with an agency-wide cost allocation plan or indirect cost rate agreement that complies with the cost principles applicable to the subgrantee organization.

Line Item Flexibility

Transfers of budgeted amounts between budget categories within an activity shall be restricted to no more than ten percent (10%) of the amount authorized in the receiving budget category. No funds shall be transferred into the Equipment budget category and no funds shall be transferred into or out of the Salaries, Fringe Benefits, or Indirect Costs budget categories without the submission and approval of a the long form subgrant modification. There shall be no flexibility allowed between activities. For example, if the total amount authorized in the Commodities budget category is \$1,000.00 (one thousand dollars), the subgrantee may expend up to \$1,100.00 (one thousand one hundred dollars) for Commodities as long funds are available from another budget category such as Travel or Contractual Services.

FIDELITY BOND REQUIREMENT

Employees or Board Members of subgrantees, with fiscal responsibility, shall have a fidelity/dishonesty bond in the amount of 25% of the total subgrant amount. Fiscal responsibility includes:

1. Those personnel who directly authorize the disbursement of funds;
2. Those personnel who approve the request for funds disbursement;
3. Those personnel with check issuance authority; and,
4. Those personnel who receive or deposit funds or reconcile financial records.

PAYMENTS AND COST REPORTING

MDHS permits two methods of subgrantee contracting as determined by the funding division:

- Current Needs/Cash Advance
- Cost Reimbursement

Under the current needs/cash advance method, the subgrantee shall project its cash needs for expenditures to be made within a specified period of time and submit a “Request for Cash” form (MDHS-BUD-1450). This form is required at least 20 days prior to the date that funds will be needed to allow processing time for MDHS Program and Budget divisions as well as the Department of Finance and Administration (DFA). The Request for Cash may be adjusted pending availability of funds. Also, under the current needs/cash advance method, the subgrantee is required to report its cost each month by submitting the “MDHS Reporting Worksheet” and supporting documentation as requested. The Reporting Worksheet shall be filed once each calendar month and shall be submitted to

FINANCIAL MANAGEMENT**Section 5**

MDHS funding division by the tenth calendar day of the following month.

Subgrantees funded under the cost reimbursement method will receive funds the following month for expenditures incurred the previous month. The subgrantee shall report the cost incurred for the month and request reimbursement by submitting the “MDHS Reporting Worksheet” form. The Reporting Worksheet shall be used by subgrantees to report the “total cumulative cost to date.” Its purpose is to provide a simple and concise report of the expenditures for each program or work activity.

Submission of a monthly Reporting Worksheet is required. Payments may be suspended pending receipt of accurate monthly Reporting Worksheets.

SPECIAL REQUIREMENTS**DIRECTLY FUNDED SOCIAL SERVICES BLOCK GRANT (SSBG) SUBGRANTS****I. GENERAL**

1. A 25% match is required on all SSBG dollars. This match may be in the form of cash and/or in-kind. A waiver may be requested under certain conditions.
2. A maximum of two subgrant modifications may be requested by the subgrantee during the subgrant period. Subgrant modifications shall not be initiated by the subgrantee within the last 30 days of the subgrant period, without prior approval by the MDHS Executive Director or designee. Requests to move more than \$5,000.00 (five thousand dollars) from one Broad Service Category (Budget Activity) to another will not be approved.
3. Unexpended funds at the end of the subgrant period shall be returned to MDHS.
4. Contracts funded out of SSBG in support of other divisions shall adhere to guidelines set forth by the appropriate program division.

II. MATCH

1. The 25% match requirement is a state policy. This match may consist of cash and/or in-kind contributions specifically related to the applicable subgrant scope of services.
2. Match is calculated as a 75/25 shared cost for program operation. Total program cost includes programmatic and administrative costs.
3. Matching costs reported shall be verifiable from source documentation on file in the subgrantee’s office.

FINANCIAL MANAGEMENT**Section 5****DIRECTLY FUNDED SOCIAL SERVICES BLOCK GRANT (SSBG) SUBGRANTS** (Continued)

4. Match requirements may be requested to be waived for the following reasons:
 - a. The State Legislature failed to appropriate adequate match after being specifically requested to do so;
 - b. In-kind possibilities for match are currently being used as match for other funding sources; and
 - c. Subgrantee is unable to garner sufficient support from local resources.
5. Each request for waiver of match shall be accompanied by a full explanation for the request, listing specific activities taken to seek the needed match and appropriate documentation of such attempts. Discretion concerning the waiver rests with the MDHS Executive Director.
6. Match does not have to be calculated on an activity basis; however, the overall federal dollars shall be adequately matched.
7. Other federal funds shall not be used to match SSBG unless it is allowable by the regulations of the related federal program.
8. Documentation of all match shall be maintained. If sufficient match is not verified, the subgrantee shall return the appropriate amount of federal dollars to the State.

ALL OTHER MDHS SUBGRANTS**I. GENERAL**

1. A maximum of two subgrant modifications may be requested by the subgrantee during the subgrant period. Subgrant modifications shall not be initiated within the last ninety (90) days of the subgrant period without prior approval by the MDHS Executive Director or designee. (See the Modification Form, located at the end of this section.)
2. Major changes to the subgrant that alter the scope of services, increase or decrease the total amount of funding, affect the match requirements, authorize salary and wages, fringe benefits, equipment changes or, indirect costs, require a long-form modification of the subgrant. (See the Modification Form, located at the end of this section.)
3. Minor changes to the subgrant may be made by written agreement to the changes by the subgrantee and MDHS via an approved short-form modification. Consult with the MDHS funding division for specific guidance on amending the subgrant.

FINANCIAL MANAGEMENT**Section 5**

4. Modifications shall become effective on date specified on modification forms, or upon the signature of both parties, whichever is later; unless a waiver is approved by the MDHS Executive Director.

II. MATCH

1. Match shall be available and expended in accordance with the approved subgrant agreement. If sufficient match is not verified, the subgrantee shall return the appropriate amount of federal dollars to the State.
2. Match expended and reported shall be verifiable from support documentation on file in the subgrantee's office.

PROCUREMENT AND PURCHASING**Section 6****OVERVIEW**

Compliance with Federal Regulations - Subgrantees shall use MDHS procurement procedures stated in this manual, which reflect applicable state and local laws and regulations, and conform to the standards set forth in 45 CFR Part 74 and Part 92, and Section 31-7-13 Mississippi Code of 1972, Annotated. These guidelines apply to purchases for contractual services, commodities, and equipment.

EXCEPTION: A general exception is allowed for subgrantees that are Institutions of Higher Learning and for other state agencies. Institutions of Higher Learning and other state agencies are required to follow the procurement requirements applicable to those particular entities. However, those procurement requirements shall conform to the standards set forth in 45 CFR Part 74 and Part 92 or applicable federal law.

Subgrantee's Use of Lower-Tier Subrecipients - If the provisions of a subgrant agreement allow a lower-tier subrecipient to manage and administer subgrant-supported projects, the lower-tier subrecipient shall be bound by the lower-tier subrecipient agreement to adhere to the MDHS Subgrantee Manual, applicable state and federal law, and all guidelines established by the MDHS Funding Division.

- **Code of Conduct** - There shall be no conflict of interest, real or apparent, in the award or administration of a contract supported by subgrant funds. The subgrantee shall maintain a written code or standards of conduct which shall govern the performance of their officers, employees or agents engaged in the award and administration of contracts supported by federal funds. (See 45 CFR Part 74 and Part 92 or applicable federal law for further specific guidance)

Open and Free Competition - All procurement transactions shall be conducted in a manner that provides maximum open and free competition consistent with 45 CFR Part 74 and Part 92 or applicable federal law. Procurement procedures shall not restrict or eliminate competition. Examples of what is considered to be restrictive of competition include, but are not limited to, the following:

- Placing unreasonable requirements on firms/service providers in order for them to qualify to do business;
- Noncompetitive practices between firms/service providers;
- Organizational conflicts of interest; and
- Requiring unnecessary experience and excessive bonding requirements.

PROCUREMENT AND PURCHASING**Section 6**

Written Procurement Policies - The subgrantee shall have written procurement procedures and may adopt by reference procedural requirements of 45 CFR Part 74 and Part 92 or applicable federal law.

PROCUREMENT GUIDELINES

Subgrantees are advised to pay particular attention to 45 CFR Part 74 and Part 92 or applicable federal law regulating procurement. Stated therein are the governing regulations and implementing guidelines for all procurement activity undertaken with grant funds. Some of those items, with particular applicability to MDHS subgrants, are:

Procurement Standards

1. Subgrantees shall maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions and specifications of their contracts or purchase orders.
2. Procedures shall allow for analysis of the most economical approach in purchasing, including lease versus purchase alternatives. Each proposed procurement shall be reviewed to avoid the purchase of unnecessary or duplicate items.
3. Subgrantees shall make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.
4. Subgrantees shall maintain records sufficient to detail the significant history of procurement.
5. These standards do not relieve the subgrantee of any contractual responsibilities under its subgrants. The subgrantee is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of any procurement entered in support of a subgrant. These include, but are not limited to, source evaluation, protests, disputes and claims.

METHOD OF PROCUREMENT

All procurement transactions shall be made by one of the following methods;

1. **PROCUREMENT BY SMALL PURCHASE PROCEDURES:** For procurement of services, supplies, or other property with an aggregate cost of at least \$2,500.00 (two

PROCUREMENT AND PURCHASING**Section 6**

thousand five hundred dollars), but not more than \$50,000.00 (fifty thousand dollars), written price or rate quotations shall be obtained from at least two qualified sources. The aggregate sum of all items being purchased is considered one purchase.

2. **PROCUREMENT BY SEALED BIDS:** Formal advertising in a newspaper of general circulation once each week for two consecutive weeks for competitive sealed bids is required for all purchases that exceed \$50,000.00 (fifty thousand dollars). Bids shall not be due less than seven working days following the date the last advertisement appears in the newspaper.
3. **PROCUREMENT BY COMPETITIVE PROPOSALS:** Formally publicizing a request for proposals which normally results in conducting competitive negotiation with more than one source submitting an offer. This method is generally used when conditions are not appropriate for the use of sealed bids. All evaluation factors and their relative importance will be identified. There shall be procedures for technical evaluations of the proposals and selection of an awardee. Awards shall be made to the proposal most advantageous to the program, with price and other factors considered.
4. **SOLE SOURCE PROCUREMENT:** Noncompetitive negotiation with a single source. In the purchase of noncompetitive items or services only available from one source, a certification of the conditions and circumstances requiring the purchase shall be filed by the subgrantee with the appropriate MDHS Funding Division Director. Upon receipt of such certification, the appropriate MDHS Funding Division Director shall forward the certification to the MDHS Executive Director for approval, and then the certification shall be forwarded to the Department of Finance and Administration which may authorize or deny the purchase.
5. **EMERGENCY PROCUREMENT:** The appropriate MDHS Funding Division Director may approve and the Executive Director may authorize, an emergency procurement under the conditions defined in state law, provided such emergency procurement shall be made with such competition as is practicable under the circumstances.

Note: Explicit federal and state regulations apply to each procurement method. Subgrantees may proceed with procurement activities only after careful study of the regulations reveals all requirements have been met.

Competitive Purchasing**1. Purchases Under \$2,500.00**

Purchases for less than two thousand five hundred dollars (\$2,500.00) exclusive of freight or shipping charges, may be made without advertising or otherwise requesting

PROCUREMENT AND PURCHASING**Section 6**

competitive quotes; provided, however, that nothing contained in this paragraph shall be construed to prohibit any agency or governing authority from establishing procedures which require competitive quotes on purchases under two thousand five hundred dollars (\$2,500.00).

2. Purchases between \$2,500.00 and \$50,000.00

Purchases which involve an expenditure of at least two thousand five hundred dollars (\$2,500.00), but not more than fifty thousand dollars (\$50,000.00) exclusive of freight and shipping charges, may be made from the lowest and best vendor without publishing or posting advertisements for bids, provided at least two competitive written quotes have been obtained.

The term “competitive written quotes” means a quote submitted on a quote form furnished by the subgrantee and signed by authorized personnel representing the vendor, or a quote submitted on a vendor’s letterhead or quote form signed by authorized personnel representing the vendor. Quotes obtained from a magazine, newspaper or internet advertising, are not acceptable.

3. Purchases Over \$50,000.00

Purchases which involve an expenditure of more than fifty thousand dollars (\$50,000.00) exclusive of freight and shipping charges may be made from the lowest and best bidder after advertising for competitive sealed bids once each week for two consecutive weeks in a regular newspaper published in the county or municipality in which such agency or governing authority is located. The date, as published, for the bid opening shall not be less than seven working days after the published notice has been completed. The notice shall state the time and place at which bids shall be received; types of supplies, and/or equipment to be purchased, and the contact person. If plans or specifications are not published, notice should state where copies may be obtained. Specifications shall be written so as not to exclude any supplier.

4. Sole Source/Noncompetitive Purchases

Noncompetitive items are items available from one source only.

In connection with the purchase of noncompetitive items only available from one source, a certification of the conditions and circumstances requiring the purchase shall be filed by the subgrantee with the appropriate MDHS Funding Division Director. Upon receipt by the MDHS Funding Division, the certification will be forwarded to the MDHS Executive Director for approval of the request for sole-source procurement to be forwarded to the Department of Finance and Administration (DFA) for authorization. Only after receiving

PROCUREMENT AND PURCHASING**Section 6**

authorization from DFA is the purchase deemed a sole source procurement. All authorizations shall be received prior to any procurement transactions. The appropriate MDHS Funding Division Director and the MDHS Executive Director may approve, and the Department of Finance and Administration may authorize, a sole source procurement under the conditions defined in state law, provided that the sole source procurement shall be made according to the established purchasing rules and regulations and shall not be made so as to circumvent the competitive purchasing requirements.

5. Purchase of Used Equipment

Subgrantees who would like to purchase used equipment shall submit a written request and justification to the appropriate MDHS Funding Division Director for written approval before proceeding with the purchase. This is in addition to the established requirements set out in the Procurement and Purchasing section and the Inventory Management section of this manual.

6. Purchases Made Under State Contract

Agencies that may purchase under state contract may do so without prior approval or obtaining written quotes. All other purchases shall follow the guidelines outlined in the Purchasing Procedures.

7. Subgrantee Files

Each subgrantee shall maintain adequate files to support any purchases made. A copy of the quotes that were obtained (purchases between \$2,500.00 and \$50,000.00) or a copy of the legal notice (purchases over \$50,000.00) shall also be on file to support the choice of lowest and/or best bid. The subgrantee shall provide adequate justification if the purchase is not awarded to lowest and/or best bidder.

Purchases made by formal bid process or otherwise shall be public record to the extent provided in Section 25-61-1 et seq. Mississippi Code of 1972, Annotated.

Information pertaining to the results of any bid may be reviewed at the subgrantee's offices at any time during normal working hours subsequent to the time of the bid opening. This authority shall be granted only to any business or person who has submitted bids on the particular transaction. The subgrantee may restrict the availability of the bids during the evaluation process so as to improve the efficiency of the evaluation and award process. Businesses or persons not participating in the process shall not be permitted access to any applicable file until after an award is made. All information and documents applicable to the awarded contract shall be available to any business or person; provided, however, that records furnished by third parties which contain trade

PROCUREMENT AND PURCHASING**Section 6**

secrets or confidential commercial or financial information shall not be subject to inspection, examination, copying or reproduction until notice to said third parties has been given, but such records shall be released within a reasonable period of time unless said third parties have obtained a court order protecting such records as confidential.

8. Emergency Procurement

Emergency procurement is limited to only those supplies, equipment or services required to meet the emergency. Circumstances that could meet the definition of an emergency are listed in section 31-7-1 (f) MS Code of 1972, Annotated. Prior to making an emergency procurement, a written justification of the circumstances attributing to the emergency shall be submitted to the appropriate MDHS Funding Division. Upon receipt by the MDHS Funding Division, the justification shall be forwarded to the MDHS Executive Director for authorization of the request for an emergency procurement. The MDHS Executive Director may determine that an emergency exists in regard to the purchase so that the delay, incident to giving opportunity for competitive bidding, would be detrimental to the interest of the state. Authorization shall be received prior to any procurement transactions, and purchases shall only be made for the purpose of meeting the needs of the emergency. The appropriate MDHS Funding Division Director may approve and the MDHS Executive Director may authorize, emergency purchases under the conditions defined in state law, provided that such emergency purchases are made according to the established purchasing rules and regulations and are not be made so as to circumvent the competitive purchasing requirements.

INVENTORY MANAGEMENT**Section 7****OVERVIEW**

Uniform standards on inventory management shall ensure the effective use and control of subgrantee property under the jurisdiction of the Mississippi Department of Human Services. Property inventory management is applicable to all non-expendable equipment and property having a useful life of one year or more, and having a unit acquisition cost of \$1,000.00 or more shall be tagged and placed on inventory. Other specific items listed in this chapter are required to be placed on MDHS's inventory regardless of price. Items with a useful life of one year or more with a unit cost of less than \$1,000.00 are not required to be placed on inventory. However, they are required to have an agency "Property of MDHS" sticker applied. It will be the responsibility of the MDHS Funding Division to ensure proper reporting of all equipment and property is forwarded to the MDHS Office of Property.

If equipment or property is authorized under an MDHS subgrant, the property or equipment shall be purchased within ninety (90) days from the beginning date of the subgrant, or within thirty (30) days of the effective date of the modification which authorizes the purchase of property or equipment. No equipment or property shall be purchased during the last thirty (30) days of the subgrant. These time limits are also applicable to property or equipment purchased with non-federal funds or donated by third parties that is used to match funds under an MDHS subgrant.

The Subgrantee Inventory Management Policy provides guidelines for purchase approval; purchase of used equipment; Inventory Control List; property identification; physical inventory; property which has been lost, stolen or damaged; property disposal or transfer, and subgrantee or program closeout.

The policy serves as a minimum guide in the development of each MDHS Funding Division's inventory management system. Subgrant property management implementation shall be the responsibility of the appropriate MDHS Funding Division Director. Verification shall be the responsibility of the Division of Budgets and Accounting's Property Officer. Property which has been stolen shall be reported by the subgrantee/contractor to the appropriate MDHS Funding Division Director and to the Director of the MDHS Property Office within 24 hours of discovery.

Subgrantees may refer to the 45 CFR Parts 74 and 92 or applicable federal law regulating property management for further guidance on property management standards. All property and assets purchased through MDHS subgrants shall be placed on inventory in accordance with the statutes of the State of Mississippi.

INVENTORY MANAGEMENT**Section 7****POLICY**

Purchase Approval: All equipment purchased with subgrant monies shall be specifically authorized through the Cost Summary Support Sheet and the Budget Narrative of the subgrant agreement. Any deviation shall require a formal modification of the subgrant. The equipment needs of the subgrantee shall be assessed by the MDHS Funding Division staff analyzing all prior subgrants/contracts and the equipment needs expressed in the Scope of Services and the Terms and Conditions of the current subgrant.

Duplication of property or equipment purchases is prohibited by statute. All means of acquiring the proposed equipment, e.g., leasing, shall be reviewed before authorization is given. A capital lease or lease-purchase agreement is prohibited by statute.

The assessment criteria to be used by the MDHS Funding Divisions shall include, but are not limited to, the following:

1. How significant is the need cited to the successful operation and completion of the project?
2. What is the total expense involved to satisfy this need? Include all associated costs that is required for the equipment or property.
3. Are there hidden associated costs? Complicated items should have a full cost analysis prior to approval for purchase.
4. Who will benefit from the purchase of these items? Short-term contracts should not include the purchase of equipment.
5. How long will the need exist?
6. What will be the consequences of foregoing such a purchase?
7. Should we rent, lease, or purchase the items under consideration?
8. Assess availability of needed items from surplus of used property from other active/inactive subgrantees, or from DFA Office of Surplus Property.

INVENTORY MANAGEMENT**Section 7**

Note: All property or equipment purchased, in whole or in part, with funds provided by MDHS, shall be held in trust by the subgrantee as trustee for MDHS, and shall not be encumbered without the written approval of MDHS. The subgrantee shall record liens, or other appropriate notices of record, that property or equipment has been acquired, or where applicable, improved with funds provided by MDHS. Only Federal or State property may be upgraded with MDHS funds. The use and disposition of such property or equipment are prescribed by the MDHS Subgrant/Contract Manual.

Purchase of Used Equipment

Subgrantees who wish to purchase used property and/or equipment, must submit a written request and justification to the appropriate MDHS Division Director for approval, before proceeding with procurement. This is in addition to the established purchase requirements set out in the Procurement section of this manual.

Use of Equipment under MDHS Subgrants

The subgrantee shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the MDHS Funding Division. When no longer needed for the original project or program, the subgrantee shall contact the MDHS Funding Division and request authorization to use the equipment in connection with its other federally-sponsored activities, as required under federal regulations.

Statement of General Policy - Property Inventory Rules

INVENTORY MANAGEMENT**Section 7****Property Identification**

All subgrantee equipment or property purchased with federal and/or state funds, or provided as match for federal and/or state funds, shall have permanent identification numbers assigned by the MDHS Property Office (Equipment Inventory Tagging Form MDHS-PROP-SE01). Permanent identification shall be made by using metal tags, vinyl tags, etching, or other appropriate means of identification. The equipment or property purchased through subgrants/contracts awarded by MDHS Funding Divisions shall be tagged and accounted for by the MDHS Property Office or, in some instances, by the Office of Monitoring.

Physical Inventory

A periodic physical inventory shall be performed by all subgrantees at least twice yearly, using the MDHS Inventory Control List and submitted to the appropriate funding division. The physical inventory shall consist of an actual accounting of all subgrantee/contractor equipment or property on the Subgrantee location listing and/or Inventory Control List, acquired with (or used to match) federal and/or state monies under an MDHS subgrant. Property records pertaining to the purchase of equipment or property shall be inspected for correctness before items are identified and tagged for inventory control. Location and use of equipment or property shall be verified by MDHS. Property or equipment, that is not being utilized or managed under the terms of the subgrants, shall be recovered and/or redistributed.

Should a subgrant be terminated or not renewed, any equipment purchased under the subgrant with public funds or MDHS' funds shall neither be transferred to another location nor remain at the present location under a new subgrant with a different subgrantee, without the prior written approval of the MDHS Executive Director. The MDHS Inventory Transfer Form (MDHS-PROP-114B) shall be completed and submitted to the MDHS Property Office.

Lost, Stolen, or Damaged Equipment or Property

Any stolen, misused or unaccounted for equipment or property, shall be reported in writing to the Director of the MDHS Funding Division who shall contact the MDHS Property Office. The MDHS property office shall develop a reporting system to identify lost, stolen, or damaged subgrant equipment or property. A subgrantee shall submit, in writing, within 24 hours of discovery to the Director of the MDHS Funding Division, a detailed explanation of loss. In case of theft, robbery or disappearance, show the name of the local police or sheriff's department notified, and the date the loss was discovered. If such was not reported to a local police or sheriff's department at the time of the discovery, a complete explanation of such failure shall be provided. A copy of the police or sheriff's department report shall be forwarded with the letter to the Director of the MDHS Funding Division. Additionally, if equipment loss occurs at the home of an employee of the subgrantee, the employee shall provide a written statement from his/her insurance carrier indicating whether or not the stolen item was paid for under his/her

homeowner's or car insurance policy. The MDHS Funding Division shall review the information and forward the information to the MDHS Property Office with recommendation of action to be taken, if appropriate.

Liability

MDHS has the authority to recover the value of any missing property. The demand may be made against the head of the subgrantee agency, the agency's property officer and/or the appropriate supervisor/director or employee. If property is determined to be missing, an MDHS investigation may be initiated to determine the cause and culpability.

Damaged, Non-Serviceable Equipment or Property

The subgrantee shall submit a written request to the Director of the MDHS Funding Division requesting authorization to dispose of equipment or property, and an on-site inspection by the MDHS Property Office will be conducted, if applicable. The MDHS Funding Division Director will approve or deny the request in writing.

Property Disposal or Transfer

Subgrantees shall notify, in writing, the Director of the MDHS Funding Division when an item is either no longer needed or useful to the implementation and objective of the program. The subgrantee must include the following: (Note: Information can be obtained from the Inventory Control List.)

- C. Purchased Price;
- D. Dollar Value;
- E. Subgrant Number/Contract Number;
- F. Grant Identifier Number; ~~and~~

INVENTORY MANAGEMENT**Section 7**

Upon completion of an on-site visit by the MDHS Funding Division or Property Officer, where applicable, the Director of the Property Office shall decide the proper means of disposal. Should a subgrant be terminated or not renewed, any equipment purchased under the subgrant with public funds or MDHS' funds shall neither be transferred to another location nor remain at the present location under a new subgrant with a different subgrantee, without the prior written approval of the MDHS Executive Director. The MDHS Inventory Transfer Form (MDHS PROP-114-B) shall be completed and submitted to the MDHS funding division by the subgrantee and forwarded to the MDHS Property Office whenever property is moved from one office/site to another. Appropriate "From" and "To" signatures shall be obtained.

Subgrantee or Program Closeout

A subgrantee that desires to continue using equipment or property after the expiration date of the subgrant period shall submit a written request to the Director of the MDHS Funding Division. It is the established policy of the funding division and the Mississippi Department of Human Services, to give consideration to written requests, to allow federally and/or state purchased equipment or property to remain on the premises of the organization, if the subgrantee continues to operate at the same site, as long as, the organization continues to serve the implementation and objective of the program, and the subgrantee is in good standing at the time of closeout. The request shall include a copy of the Subgrantee Inventory Control List for each item of equipment or property under the subgrant. The deadline for equipment or property retention request is the same as for the closeout package. TRAVEL**Section 8****OVERVIEW**

Section 25-3-41, Mississippi Code Annotated (1972), authorizes the Mississippi Department of Finance and Administration to set guidelines for travel reimbursement of state officials and employees. MDHS has adopted some of those guidelines as applicable to its subgrantees. As these laws and regulations are amended, this policy shall be amended accordingly.

A complete list of all current rules and regulations established by the Mississippi Department of Finance and Administration is available on the Internet at the following address:

www.dfa.state.ms.us

POLICY

The following policy concerning in-state and out-of-state travel has been established for subgrantees of MDHS.

TERMS**DEFINITIONS****Commuting**

Commuting is defined as travel by an officer/employee between the official residence, and the official duty station or regular place of work.

Official Duty Station

An officer/employee's official duty station is the city, town, or other location where the primary office is located, or the city, town or location where the primary work is performed on a permanent basis. If the employee regularly works in two or more areas, the official duty station shall be where the primary place of work is located. The regular place of work shall be determined by the agency head or authorized designee based on total time ordinarily spent working in each area and the degree of business activity in each area. Employees shall be advised in writing of their official duty station. (State law prohibits claiming reimbursement for miles not actually traveled.)

Official Residence

An officer/employee's official residence is the city, town, or other location where an officer/employee maintains a residence which is used as a primary domicile by the officer/employee.

Determination by the agency head or authorized designee regarding his/her residence is to be based on items such as voter registration, ownership, or long-term rental of a personal residence,

TRAVEL**Section 8**

and the permanent address carried in the officer/employee's personnel file.

Travel Status

Travel status employees are those employees who perform duties at locations other than their official duty stations. Travel status employees are expected to report to work at their normal time when the work assignment is within 30 miles one-way. (This will also apply to the return trip.) The employee, who works in two or more offices or regular places of work, may claim mileage reimbursement to travel from one office or regular place of work to another place of work, but not between the regular work site and home, regardless of the distance of the commute. NOTE: An officer/employee is not in travel status and shall not receive lodging or meal reimbursement while at the Official Duty Station. Reimbursement shall continue to be allowed for approved and documented expenses incurred during any authorized meeting, workshop or conference.

Regular Place of Work

An officer/employee's regular place of work is any location at which he/she works or provides services on a regular basis.

Temporary Place of Work

An employee's temporary place of work is any location at which the officer/employee performs services on short-term basis.

Overnight Travel

When the one-way mileage from an employee's official duty station to the location of their work assignment exceeds 75 miles and the work assignment exceeds one day, the employee will normally be required to stay overnight. Exceptions may be approved on an individual basis by the Authorized Official of the subgrantee.

TRAVEL**Section 8****ALLOWABLE REIMBURSEMENT FOR TRAVEL, MEALS, LODGING AND OTHER NECESSARY EXPENSES**

For out-of-state travel to be approved it shall be submitted to the appropriate MDHS Division Director through the budget narrative.

All reimbursements claimed for travel, meals, lodging and other necessary expenses shall be within the limitations of the established travel regulations, guidelines, and policies, as follows:

1. Travel in Privately-Owned Motor Vehicle

- a. If an employee uses a privately-owned vehicle to travel in connection with the performance of official duties, he/she shall be reimbursed for such travel at the rate approved by the DFA for its employees at the time that travel was performed, as long as the total amount of the subgrant and activity charged with the expense is not exceeded.
- b. When two or more employees travel in one privately-owned vehicle, only one travel expense at the authorized reimbursement rate per mile shall be allowed. A notation on the travel voucher shall be made of the employee's name who is a guest passenger.
- c. If subsistence is claimed while traveling with another person in a privately-owned automobile, entries shall be made on the voucher indicating the name of the person in whose car the trip was made.
- d. Reimbursement shall not exceed the commercial airline tourist rate when an employee chooses to travel via personal automobile in interstate travel instead of traveling by airplane. Subsistence claimed must begin and end at the time the traveler would have departed and returned, had the trip been made by airplane. Only the owner of the automobile shall be allowed to claim travel. If employees are required to travel as passengers, only subsistence shall be allowed.
- e. Mileage shall be allowed for the distance actually and necessarily traveled in order to promptly discharge the duties required of an employee. The mileage between points, as shown on (Official Highway Map) a recognized mapping program, shall be considered as the official mileage guide between said points.
- f. An employee shall be paid the standard rate per mile, plus automobile parking fees, for the round trip in a privately-owned automobile from the official station or place of business to an air terminal or from an air terminal to the official station. For parking fees in excess of \$10.00, a receipt shall be attached with the travel expense voucher.

TRAVEL**Section 8****2. Travel by Public Carrier**

- a. When official travel is by means of a public carrier or other means not involving a privately-owned motor vehicle, an employee shall receive reimbursement of the actual fare costs and other necessary itemized expenses incurred in connection with such travel. The passenger coupon/ticket stub which notates the fare shall accompany the expense voucher.
- b. Out-of-State travel by airlines shall be at the tourist rate, unless such space is unavailable. If travel is in first class airline accommodations, an employee shall certify on the itemized expense voucher that tourist accommodations were not available.
- c. When the traveling employee makes changes in airline reservations during the trip which increases or decreases the airfare, a copy of the original ticket and credit or debit adjustments shall all be attached to the voucher, along with an explanation for the changes made on the voucher.
- d. In-state air travel shall be kept to a minimum.

3. Meals, Lodging and Other Necessary Expenses**a. Meals**

An employee shall be reimbursed for lodging and meals for overnight travel only, and for other necessary expenses as supported by receipts, incurred in the course of official travel, subject to the approval of the subgrantee authorized official. Meal reimbursements are for actual expenses not to exceed the daily meal maximums for the specific location of assignment which are currently set by DFA.

The federal register containing the current federal per diem rates may be obtained from the Mississippi Department of Finance and Administration website.

b. Lodging

- (1) Reimbursement for lodging shall be made when the circumstances prevent departure and return travel to the official duty station in one day. In no case shall an employee be reimbursed for lodging at their official duty station. Reimbursement for lodging expenses shall be made for the amount actually paid when supported by a receipt not to exceed DFA Policy Rules & Regulations State Travel. When an employee has a choice, extreme care and discreet judgment

TRAVEL**Section 8**

shall be exercised in selection of lodging to ensure that the cost for lodging is within reason for the area. Reimbursement for lodging shall not exceed the single room rate. All expenses for lodging shall be billed to the employee or the subgrantee agency. The lodging receipt shall be marked paid and indicate a zero balance.

2. If a member of the employee's family or other non-subgrantee employee travels with the employee, the employee shall claim motel/hotel room rate at the single rate. The single rate shall be written across the face of the receipt.
3. If more than one employee shares a motel/hotel room, each employee shall report his/her pro-rata share of the costs on the travel reimbursement request. Separate invoices shall be obtained and are available if the employee so requests when registering at the motel/hotel.

c. Other

1. Charges for transportation, such as buses, limousines, taxi, etc., shall be allowed while traveling on official business. Taxi cab charges shall be allowed at the point of origin or from the subgrantee agency/office, whichever is closer to the air terminal.
2. Charges for rental cars shall be allowed only when there is a demonstrated cost savings over other modes of transportation, such as buses, subway, taxi, etc., and not strictly for the convenience of the employee.

TRAVEL**Section 8**

3. Reasonable expenses incurred for tips to porters, baggage carriers, housekeeping personnel, waitresses or waiters, etc. are allowable. Necessary travel expenses do not include personal expense items such as alcoholic beverages, entertainment and trip insurance. Meal tips should be included in the actual meal expense unless the inclusion of tips would cause the meals to exceed the maximum daily limitations placed on meals. Meal tips shown separately shall not exceed percentage allowed by MDFA. Charges for registration fees are allowable as other authorized expenses if accompanied by a receipt. Meals shall not be claimed as separate items of expense on the travel voucher when included in the registration fee.
4. Phone calls, postage, and other expenses directly related to a trip shall be certified as valid business expenses and initialed at the bottom of the travel voucher by the employee.

MONITORING**Section 9****INTRODUCTION**

The Mississippi Department of Human Services (MDHS) is required to monitor the activities of its subgrantees by following the Single Audit Act Amendments of 1996, the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and the OMB Circular A-133 Compliance Supplement. MDHS shall monitor each project, program, subgrant, function, or activity supported by a Federal award to assure compliance with applicable Federal regulations and that performance goals are achieved.

POLICY

MDHS has established uniform monitoring policies designed to ensure that all subgrants under the jurisdiction of MDHS are administered in compliance with Federal requirements and with the terms of the subgrant agreements. Monitoring subgrants, for compliance with the applicable Federal regulations, State laws, Agency policies, and the terms of the subgrant agreements, is the responsibility of the MDHS Division of Program Integrity.

Subgrant monitoring procedures may include several of the various options available. These options include: reviewing reports submitted by the subgrantee; reviewing documentation supporting expenses reported under MDHS subgrants; reviewing the subgrantee's single audit or program-specific audit results and evaluating audit findings and the subgrantee's corrective action plan; performing on-site reviews of fiscal and programmatic records and observing subgrantee operations; and/or, arranging for limited scope audits of specific compliance areas.

Planning Considerations

When determining the extent of monitoring procedures to perform, MDHS will consider factors such as the amount of the subgrant, the percentage of a Federal program's total funds awarded to subgrantees, and the complexity of the compliance requirements. To determine the appropriateness of monitoring procedures, MDHS will consider the cost-effectiveness of monitoring procedures compared to the relative size and complexity of the Federal awards administered by the subgrantee. The following factors will also be considered when determining the monitoring procedures to be performed to ensure compliance with the Federal regulations, State laws, Agency policies and procedures, and the terms of the subgrant agreement:

1. The amount of the subgrant in relation to the total amount of the program;
2. Prior experience of the subgrantee operating subgrants supported by Federal funds;
3. Results of the MDHS follow-up on prior year single audit findings;
4. Results of the review of documents submitted by the subgrantee;
5. Results of the desk review of supporting documentation for expenditures;
6. Results of previous on-site fiscal and programmatic reviews; and/or,
7. Specific requests by the MDHS Executive Director or Funding Division Director.

MONITORING**Section 9****Monitoring Procedures****1. Review of Reports Submitted by Subgrantees**

Subgrants may be monitored by reviewing reports submitted by the subgrantee for compliance with the subgrant agreement and program instructions. For example, the monthly reporting worksheets may be reviewed for accuracy and completeness or the quarterly programmatic report may be reviewed to ensure that each element of the Scope of Services is being met.

2. Review of Supporting Documentation for Expenditures

Subgrants may be monitored by performing a desk review of supporting documentation for expenditures reported under the subgrant. This review consists of contacting the subgrantee and requesting documents to support certain amounts included on the subgrantee's reporting worksheets. These documents will be examined by the monitors to determine compliance with the subgrant agreement and with State and Federal regulations. The results of the desk review will be communicated in a written report to the subgrantee and to the MDHS Funding Division.

Desk reviews may be conducted at any time by staff of the MDHS, Division of Program Integrity. The desk review procedure may be used in lieu of or in conjunction with an on-site fiscal review or as a follow-up to an on-site fiscal review to ensure that corrective actions have been implemented.

Fiscal monitoring through a desk review will include, at a minimum, a review of all documents to support all expenses reported for one month of the subgrant period. Documents shall be reviewed to support costs reported on the reporting worksheet submitted for the month in which the highest dollar amount of expenses was reported as of the date that the schedule letter was prepared to begin the desk review and request support documents.

When fiscal monitoring is initiated through a desk review and sufficient documents are not provided by the subgrantee/contractor to support costs reported on the reporting worksheet, the desk review shall cease and fiscal monitoring shall be completed through an on-site review.

Fiscal monitoring shall not be performed through a desk review on the first subgrant awarded to a subgrantee. In addition, monitoring through a desk review shall be alternated with on-site reviews so that on-site fiscal monitoring is performed at least every other year.

Monitoring for programmatic compliance cannot be performed through a desk review.

MONITORING**Section 9****3. Review of the Subgrantee's Single Audit Report for Compliance, Evaluation of Audit Findings, and Follow-up on Corrective Actions**

Subgrantees that expend \$500,000.00 or more of Federal financial assistance during the subgrantee's fiscal year shall have an audit performed by an independent Certified Public Accountant in accordance with the Single Audit Act and OMB Circular A-133. As a part of MDHS' monitoring of each of its subgrants, these independent auditor's reports shall be obtained from the subgrantees and reviewed for compliance with Federal regulations.

Any audit findings identified in the independent auditor's reports, as well as the subgrantees proposed corrective action plans, shall be evaluated by the MDHS Funding Divisions. If the subgrantee's corrective action plan is acceptable, a management decision will be issued by the MDHS Funding Division to resolve the audit findings. The MDHS Division of Program Integrity will follow-up on the subgrantee's corrective action plan during the next on-site fiscal review that is conducted.

4. On-Site Reviews for Program Compliance

On-site reviews for program compliance are required to be conducted at least once during the subgrant period for every MDHS subgrant. On-site reviews for program compliance may be performed on any subgrant at any time and may be repeated as often as deemed necessary by MDHS. These reviews for program compliance will be conducted by the MDHS Division of Program Integrity.

The on-site programmatic reviews are formal in nature and are normally preceded by written notification to the subgrantee and to the appropriate MDHS Funding Division Directors. However, unannounced on-site programmatic reviews may also be conducted. On-site entrance and exit conferences will be conducted with subgrantee officials and a written report will be issued communicating the results of the review to the subgrantee and to the MDHS Funding Divisions. The Agency shall follow-up on the subgrantee's corrective action plan for any programmatic monitoring findings.

5. On-Site Reviews for Fiscal Compliance

On-site reviews for fiscal compliance will be conducted by the Division of Program Integrity, as provided under this section. These visits may also be conducted at the request of the MDHS Executive Director or the MDHS Funding Division Director.

These reviews are formal in nature and are normally preceded by written notification to the subgrantee. The appropriate Funding Division Directors shall also receive written notification of on-site fiscal reviews. However, unannounced on-site fiscal reviews may also be conducted. On-site entrance conferences will be conducted with subgrantee officials. Exit conferences will be conducted and a written report will be issued

MONITORING**Section 9**

communicating the results of the review to the subgrantee and to the MDHS Funding Divisions. MDHS shall follow-up on the subgrantee's corrective action plan for any fiscal monitoring findings.

6. Limited Scope Audits of Specific Compliance Areas

The Agency may engage an independent Certified Public Accountant to perform a Limited Scope Audit of certain MDHS subgrants. The need for this type of review shall be determined on an individual basis and shall be documented by the Division of Program Integrity. The results of this review shall be communicated to the subgrantee and to the MDHS Funding Divisions in a written report.

Corrective Action Process

The Initial Report of Findings and Recommendations that is forwarded to the subgrantee and to the MDHS funding division shall require a written response from the subgrantee within fifteen (15) working days. Upon receipt of the response from the subgrantee, the Director of the Office of Monitoring and other appropriate staff shall assess each response for adequacy. If all responses are adequate, a letter will be issued to the subgrantee clearing all findings. If any responses do not adequately address the findings, the subgrantee will be notified in writing by the issuance of a Status Report acceptable to MDHS requiring a second response from the subgrantee within ten (10) working days.

If the subgrantee fails to satisfactorily resolve all of the monitoring findings, the Office of Monitoring will issue a Final Notice Letter to the subgrantee demanding that the subgrantee refund the amount of questioned costs and advising the subgrantee of the procedures to follow if they wish to request an administrative hearing with the MDHS Executive Director.

If the subgrantee does not respond to the Final Notice Letter, the subgrantee will be referred to the State of Mississippi Office of the Attorney General to recover the unresolved questioned costs, and the Agency may begin procedures for debarment and suspension against the subgrantee organization and the subgrantee authorized official.

Discovery of Possible Fraud, Mismanagement, or Program Abuse

In the event indications of possible fraud, mismanagement, or program abuse are discovered during the course of monitoring subgrants, the Director of the Office of Monitoring shall notify the Director of the Division of Program Integrity, who shall notify the MDHS Executive Director. The MDHS Executive Director and appropriate personnel will decide the course of action to be taken, including the degree of disclosure to subgrantee personnel and to the MDHS Funding Divisions. The format for reporting such incidents will be determined by the Director of the Office of Monitoring and/or the Director of the Division of Program Integrity, after consultation with the MDHS Executive Director.

AUDIT**Section 10****INTRODUCTION**

The Division of Program Integrity (DPI) is responsible for oversight of the subgrantee audit process and for monitoring program and fiscal activities involving subgrants. DPI collaborates with MDHS Funding Divisions to ensure resolution of audit findings by the MDHS Funding Divisions and to monitor the success of corrective actions taken.

The provisions of this section do not limit the authority of Federal agencies or their Inspectors General or other Federal officials, the Mississippi Department of Human Services, or the Office of the State Auditor, or their duly authorized representatives, to make or contract for audits, evaluations, or reviews. Subgrantees shall not constrain the above-named agencies, in any manner, from carrying out audits, evaluations, or reviews.

GENERAL

All MDHS subgrantees are required to complete the MDHS Subgrantee Audit Information Form (MDHS-DPI-002). This form must be submitted to the Division of Program Integrity - Office of Monitoring no later than ninety (90) calendar days after the end of the subgrantee's fiscal year. This form is necessary to certify the sources and amounts of all Federal awards received and expended by the subgrantee.

The MDHS Subgrantee Audit Policy has been prepared using as references the Single Audit Act Amendments of 1996 (Public Law 104-156) as implemented by the Office of Management and Budget (OMB) through OMB Circular A-133, "Audits of States, Local Governments and Non-Profit Organizations". Subgrantees that are commercial organizations (i.e., for-profit) shall not be subject to the audit requirements contained in OMB Circular A-133 unless specifically required by program regulations or by the terms and conditions of the subgrant agreement. Subgrantees which expend Federal financial assistance during the subrecipient's fiscal year of:

1. Less than \$500,000.00 shall be exempt from Federal audit requirements, but must make records available for review by the appropriate officials. In addition, these subgrantees shall complete the MDHS Subgrantee Audit Information form and submit the form to the Division of Program Integrity - Office of Monitoring no later than ninety (90) calendar days after the end of the subgrantee's fiscal year;
2. \$500,000.00 or more under only one Federal program may elect to have a program-specific audit, or a series of program audits, performed on each subgrant awarded by MDHS in accordance with Government Auditing Standards, or an organization-wide audit performed in accordance with OMB Circular A-133; or

AUDIT**Section 10**

3. \$500,000.00 or more under more than one Federal program shall have an organization-wide audit performed in accordance with OMB Circular A-133. A subgrantee that is a commercial organization which is specifically required by program regulations or by the terms and conditions of the subgrant agreement to have an audit, may elect to have a program-specific audit of all MDHS subgrants performed in accordance with Government Auditing Standards.

RESPONSIBILITIES OF SUBGRANTEES

The subgrantee shall:

1. Maintain and make records available for review or audit by appropriate officials of the Federal agency, pass-through entity, General Accounting Office (GAO), and/or the subgrantee's independent auditor;
2. Prepare financial statements that reflect its financial position, results of operations, and, where appropriate, cash flows for the fiscal year audited. The subgrantee shall also prepare a schedule of expenditures of Federal awards for the period covered by the subgrantee's financial statements, which shall be prepared in accordance with paragraph .310 of OMB Circular A-133;
3. Follow procurement standards prescribed by OMB Circular A-110 and the procurement section of this subgrantee manual in arranging for an independent audit to be performed by a Certified Public Accountant (CPA), in accordance with GAAS, GAGAS, and/or OMB Circular A-133, as applicable;
4. Ensure that audits are conducted and reported in accordance with Generally Accepted Auditing Standards (GAAS), Government Auditing Standards (GAS) and Circular A-133, as applicable, and that copies of the auditor's reports, and any management letters issued by the auditors, are submitted to the Division of Program Integrity - Office of Monitoring within nine (9) months after the end of the subgrantee's fiscal year;
5. Be held responsible for follow-up and corrective action on all audit findings; (As part of this responsibility, the subgrantee shall prepare a summary of prior audit findings and a corrective action plan for current year audit findings. The summary schedule of prior audit findings and the corrective action plan shall include the reference numbers the auditor assigns to audit findings and the fiscal year in which the finding initially occurred. At the completion of the audit, the subgrantee shall prepare a corrective action plan to address each audit finding included in the current year auditor's reports. The corrective action plan shall provide the name(s) of the contact person(s) responsible for corrective action, the corrective actions planned or implemented, and the anticipated completion date.)

AUDIT**Section 10**

6. Assure MDHS subgrants are properly identified and audited as part of an organization-wide audit. (MDHS may request a subgrantee which is required to have an organization-wide audit to have a particular program audited as a major program. Such requests shall be made at least 180 days prior to the end of the fiscal year to be audited. The subgrantee, after consultation with its auditor, shall inform MDHS whether the program would otherwise be audited as a major program using a risk based approach and, if not, the estimated incremental costs. MDHS shall then promptly confirm to the subgrantee whether it wants the program audited as a major program.)
7. Ensure that adequate funding is available to cover the cost of audits made in accordance with this section, either from non-Federal non-matching sources or as part of the subgrant agreement or other arrangement approved in advance by the MDHS Funding Division. For any audit costs charged directly or indirectly to any MDHS subgrant, or otherwise paid by an MDHS Funding Division, the subgrantee shall submit a detailed invoice to the MDHS Funding Division that indicates the total audit cost, the audit cost allocated to each subgrant and the basis for allocating the audit cost to the subgrant; and
8. Prepare a separate schedule of indirect costs, if indirect costs are claimed under any MDHS subgrant, which shall at a minimum include a listing of actual indirect costs incurred during the subgrantee's fiscal year presented by line item; a description and amount of the base used to allocate indirect costs to all of the subgrantee's programs; and the calculation of an actual indirect cost rate based on the audited amounts; and,
9. Complete the MDHS Subgrantee Audit Information Form (MDHS-DPI-002) and submit the form to the Division of Program Integrity - Office of Monitoring no later than ninety (90) calendar days from the end of the subgrantee's fiscal year; and,

CLOSEOUT PROCEDURES**Section 11****INTRODUCTION**

The closeout of a subgrant is the process by which the Mississippi Department of Human Services (MDHS) determines that all applicable administrative actions and all required work of the subgrant have been completed. Subgrantees are responsible for ensuring an orderly and timely programmatic phase out of subgrants and the financial settlement of subgrantee and vendor claims. The subgrantee closeout procedures describe the instructions to be followed to officially close subgrants awarded by MDHS. Subgrantees should also refer to 45 CFR Part 74 and/or Part 92, as applicable.

POLICY**DUE DATE OF CLOSEOUT PACKAGE**

The closeout packages bearing original signatures is due and shall be received by the appropriate MDHS funding division 45 calendar days from the ending date of a subgrant or a specific date designated by the funding division, in writing. A copy of the closeout package should be retained by the subgrantee.

Note: Closeout packages that are not received in a timely manner may result in a delay processing Request for Cash and may adversely affect the funding of future subgrants.

Subgrantees may revise the closeout package, with a written detailed explanation, only once after the initial package is received by MDHS. This revision shall be submitted within 60 calendar days after the ending date of the subgrant or a specific date designated by the funding division, in writing. Supporting documentation, subject to the approval of the appropriate MDHS official, shall accompany any request for additional funds. Should the Federal grant period be closed, MDHS will be unable to make any additional funds available. However, amounts due MDHS resulting from additional refunds, rebates or credits occurring after this point will be processed. In this case, a revised final Reporting Worksheet shall also be submitted.

INSTRUCTIONS FOR COMPLETING THE CLOSEOUT PACKAGE**SUBGRANTEE'S CLOSEOUT CHECKLIST, FORM MDHS-SGCC-1011**

Each item on the form shall be completed and the form shall be signed by an authorized subgrantee signatory official or duly authorized representative. An explanation shall accompany any item that is checked "Sending Separately" or "Unable to Furnish."

Deobligation Authorization. This section is for the use of MDHS only.

CLOSEOUT PROCEDURES**Section 11****1. CERTIFICATION OF SUBGRANT COMPLIANCE, Form MDHS-SGCC-1012****A. RELEASE**

The purpose of the Subgrantee's Release is to release the unexpended/unobligated balance of the subgrant to MDHS.

The amount entered as the "Total amount paid and payable by MDHS/Total Authorized Expenditures" shall reflect the total actual expenditures allowed (do not round off expenditures) under the subgrant. The amount shown shall agree with the amount of cumulative costs reported on the final reporting worksheet and MDHS cumulative costs stated in the certification of cash balance section.

Any liability, obligation, claim or demand not released by the subgrantee shall be listed on the Outstanding Claimants List, Form MDHS-SGOCL-1013.

B. ASSIGNMENT OF REFUNDS, REBATES AND CREDITS

Execution of the assignment requires immediate remittance to MDHS of any subsequent refunds or credits applicable to the subgrant. Examples are telephone and insurance refunds.

C. INVENTORY CERTIFICATION

The purpose of the inventory certification is to account for all items of materials and equipment purchased and/or furnished in accordance with the terms and conditions of the subgrant. Complete the certification as required.

If equipment was purchased, furnished, or acquired with subgrant funds, the Inventory Control List (Form MDHS-PROP-SE-02) must be completed. If no equipment was furnished or acquired, so indicate. (See the Inventory Management section of this manual.)

D. CERTIFICATION OF CASH BALANCE

The purpose of the Cash Balance Certification is to provide a statement accounting for the balance of funds on hand applicable to the subgrant. Complete the Cash Balance Certification as required.

NOTE: Only a zero (-0-) cash balance will be accepted. Use the appropriate (+ or -) in the calculation of the Certification of Cash Balance.

CLOSEOUT PROCEDURES**Section 11****E. GENERAL STATEMENT OF COMPLIANCE**

The statement of compliance is the subgrantee's attestation that all other terms and conditions of the subgrant have been met. Signatures and dates shall be original in blue ink on the closeout package. The signature of the authorized signatory official shall be witnessed by two individuals.

NOTE: Forms that are not properly completed will be returned.

2. FINAL REPORTING WORKSHEET

Prepare the final Reporting Worksheet in accordance with established MDHS procedures. The final worksheet shall contain no accruals, and shall be clearly marked FINAL in the appropriate space in the top right corner of the worksheet. Do not round off expenditures. If the final worksheet is submitted prior to the closeout package, attach a copy of the final worksheet when the closeout package is submitted.

3. COPY OF WORKERS' COMPENSATION AUDIT/HEALTH AND ACCIDENT INSURANCE

Most Workers' Compensation policies with commercial companies are based on estimated payroll figures. A payroll audit by the insuring company at the time of closeout may result in a substantial refund or additional premium of the policy. If a final billing has not been received, request an immediate final audit from the insurance company at least 30 days in advance of submission of the closeout package. If an audit cannot be performed immediately, indicate on the checklist, under explanation, that the insurance company has been notified and that an audit will be sent separately. When the audit is performed, either (1) forward the audit and the refund, made payable to Treasurer, State of Mississippi, to the appropriate MDHS Funding Division, or (2) send to the appropriate MDHS Funding Division a copy of the audit and request in writing that payment be made directly to the carrier. If Workers' Compensation was not provided, please submit a written statement explaining what type of coverage was used, i.e., health and accident insurance.

4. CANCELLATION/ADJUSTMENT FIDELITY BOND

Upon closeout of the Special Bank or Financial Account, contact the carrier to ensure that the bond applicable to the subgrant is to be canceled, or if the subgrant is covered by a rider to a bond, that the proper adjustment is made. If premium refunds are due, request that they be identified by subgrant number and returned to you. Any refunds received shall be included in the aggregate check covering funds transmitted with the closeout package if they are received prior to submission of the package to MDHS. The money

CLOSEOUT PROCEDURES**Section 11**

shall be identified by amount in the accompanying statement. In any event, any refund due to cancellation of bond shall be forwarded to MDHS immediately upon receipt by subgrantee.

5. OUTSTANDING CLAIMANTS LIST, FORM MDHS-SGOCL-1013

When unclaimed funds are returned to MDHS, a list of all possible claimants of these funds shall be prepared and attached to the Certification of Subgrant Compliance, Form MDHS-SGCC-1012, as a part of the Subgrantee's Release. To reserve these funds for payments, the list shall include the following pertinent data:

- (1) Claimant's name, last known address, amount of money due, tax or identification number, social security number (if applicant is a training program enrollee) for each individual to whom checks for wages (or other outstanding checks) are due;
- (2) For employee (enrollee) checks, indicate the pay period during which the money was earned including the number of hours, hourly rate of pay, and dates worked;
- (3) Check number, date of issuance, and amount of each uncashed check; and,
- (4) Name, address, and telephone number of any person who may be contacted in connection with any claim which may arise.

6. REFUND CHECK

Indicate the amount of any unused advanced funds plus any outstanding claimants' amounts. The amounts listed shall be refunded by check with the closeout package. Refund checks are to be made payable to Treasurer, State of Mississippi. The subgrant number(s) shall be included on the check or check stub.

All applicable refunds shall be submitted along with the closeout package to the appropriate MDHS Funding Division or the closeout package will not be processed.

7. EQUIPMENT RETENTION REQUEST LETTER

To continue using MDHS-purchased equipment after the termination of the subgrant period and MDHS funding is discontinued to the subgrantee, a written request shall be submitted by the subgrantee. RECORD RETENTION AND ACCESS**Section 12****INTRODUCTION**

Appropriate retention of subgrant records is vital to maintaining accountability for proper use of subgrant funds. Subgrantees of the Mississippi Department of Human Services (MDHS) are required to retain all records pertinent to the subgrant, to allow access to such records including copying and/or removal thereof, and to allow timely and reasonable access to subgrantee personnel for the purpose of interview and discussion related to such documents.

POLICY

Financial records, supporting documents, statistical records, personnel records, and all other records pertinent to the subgrant shall be retained for a period of three years from the date of submission of the final reporting worksheet. The only exceptions are as follows:

- If any litigation, claim, financial management review, or audit is started before the expiration of the 3-year period, the records shall be retained until all such litigation, claims, reviews (including monitoring findings), or audit findings involving the records have been resolved and final action taken, whichever is later.
- 2. Records for real property and equipment acquired in whole or in part with Federal or State funds or with funds used to match Federal funds shall be retained for three years after final disposition of such property.
- 3. When records are transferred to or maintained by the Federal sponsoring agency or MDHS, the 3-year retention requirement is not applicable to the subgrantee.

Prior to the destruction of any records, the subgrantee shall obtain written approval, from the Director, MDHS Division of Program Integrity, by completing the Request to Dispose of Records form (MDHS-DPI-001). Improper destruction of records is a serious matter which subjects the subgrantee to the risk of sanctions, including debarment or suspension.

MDHS Division Directors are responsible for ensuring that records of subgrantees, whose operations are ceasing or have already done so, are properly safeguarded. If it is determined that the safety of the records should be enhanced, MDHS representatives shall be authorized to request transfer of records or remove records immediately from the subgrantee's premises.

The Mississippi Department of Human Services, the Federal grantor agency, the State Auditor, the Comptroller General of the United States, or any of its duly authorized representatives shall have the right to timely and unrestricted access to any of the subgrantee's books, documents, papers, or other records that are pertinent to the subgrant, in order to make audits, examinations, excerpts, transcripts, and copies of such documents. This right also includes timely and reasonable access to the subgrantee's personnel for the purpose of interviews and discussions related to these documents. ADMINISTRATIVE HEARINGS**Section 13****INTRODUCTION**

Basic to the administrative process is the right to a fair and adequate hearing in contested cases involving disputes in such matters as subgrants and contracts and other appropriate issues as determined on a case-by-case basis and approved by the Executive Director of the Mississippi Department of Human Services (MDHS). The Mississippi Administrative Procedures Law generally defines a contested case as a proceeding in which the legal rights, duties, or privileges of a party are required by rules, regulations, or statutes to be determined by an agency following opportunity for a hearing, other than disciplinary proceedings and agency actions involving only employees of an agency. Three conditions must be met before a hearing can be held under the jurisdiction of this procedure in a contested case:

1. It must be a matter that can be reviewed as a contested case, or under a federal or state statute, regulation or policy.
2. There must be a final decision signed by the MDHS Executive Director or the appropriate Division Director that specifies the petitioner has 30 days in which to request a contested case hearing.
3. A written request for a review of a contested case must be received in the MDHS Executive Director's Office within 30 days of the subgrantee's receipt of the Executive Director's final decision.

The MDHS Subgrantee Administrative Hearing Procedures policy serves as a guide in requesting a review of a contested case. Subgrantees should also refer to the Mississippi Administrative Procedures Law, Section 25-43-1.101 thru 3.114, Mississippi Code of 1972, as amended and obtain from the MDHS funding division a copy of the MDHS Administrative Policy 18 (AP-18), "New Procedure for Hearing Contested Cases."

POLICY

Notice of an Adverse Act - Written notice to a subgrantee of an adverse final decision, marked registered or certified mail, must include a closing statement that the subgrantee agency may submit a written request to the MDHS Executive Director for a review of the final decision within 30 days of its receipt of the notice letter. A subgrantee requesting a review of the final decision should indicate the issue in dispute, state its position, explain the reason(s) the subgrantee believes the decision is in error, request a copy of MDHS AP-18, enclose a copy of all correspondence relevant to this decision, and attach a copy of the Department's notice of an adverse decision.

ADMINISTRATIVE HEARINGS**Section 13**

Petition for Review - The subgrantee's written request for a review must be submitted to the MDHS Executive Director within 30 days of subgrantee's receipt of the adverse final decision. The request may be in the form of a petition or a letter and should specify the name, address, and telephone number of the petitioner's representative. If the subgrantee fails to cite specific reason(s) it believes the final decision is in error, the Administrative Law Judge may order it to file a written statement or show good cause that the reason(s) cannot be stated.

Representative for Petitioner - Any petitioner may appear in person; or be represented by an officer, board member, or bona fide employee in its stead, upon presentation of written authority; or be represented at the subgrantee's own expense by a licensed attorney authorized to practice law in the State of Mississippi.

Respondent's Legal Representative - As respondent, MDHS shall be represented by a Special Assistant Attorney General who normally provides counsel to the MDHS Executive Director or the affected programmatic division.

Written Notice of Hearings - The written notice of the hearing will include a statement of the date, time, and location in Jackson, Mississippi, where the hearing is to be held.

Preparation of Case File and Written Arguments - The subgrantee should provide a thorough and detailed statement of the facts giving rise to the dispute and develop legal arguments on the issues raised by the facts. Whenever possible, the subgrantee should stipulate, where appropriate, material facts and provide copies of documents that have not been submitted previously. The Administrative Law Judge can dismiss an appeal or proceed to Recommended Decision if a party fails to comply with an order, deadline, or other requirement. Only the Administrative Law Judge may grant an extension of time, based upon a written request submitted prior to the established deadline.

The petitioning subgrantee, within 30 days after requesting a review of adverse action, should submit an original and one working copy to the Administrative Law Judge, with a copy to the respondent, of the following: 1) a chronological case file containing numbered, tabbed, and indexed documents supporting the subgrantee's position, and 2) a written statement of the subgrantee's arguments (petitioner's brief) concerning why the respondent's adverse action is considered in error.

The respondent, within 30 days after receiving the petitioner's submission, shall present the following to the Administrative Law Judge, with a copy to the petitioner: 1) a tabbed and indexed supplement to the case file that does not duplicate documents submitted by the petitioner, and 2) a written statement (respondent's brief) responding to the petitioner's brief. Within 15 days after receiving the respondent's submission, the petitioner may submit a short reply.

ADMINISTRATIVE HEARINGS**Section 13**

Authority and Responsibility of the Administrative Law Judge - The Administrative Law Judge has delegated powers specified in MDHS AP-18, including, but not limited to, the following: to issue orders; to administer oaths; to call, hear and examine witnesses; to take steps necessary for the conduct of an orderly hearing; to rule on requests and motions; to dismiss cases for failure to meet deadlines and other requirements; to close, suspend, or remand a case for further action; to waive or modify procedures with notice to parties; to compile the record of the proceedings and make a Recommended Decision or a Recommended Reconsideration Decision; and to take any other action necessary to resolve disputes in accordance with the objectives of these procedures. The Administrative Law Judge shall enjoy absolute immunity from all liability and shall have decisional independence throughout this process and under these administrative proceedings.

Filing of Documents - All documents relating to any pending docketed proceeding must be filed with the Office of the Administrative Law Judge. The documents are considered filed only when received. Parties must put the assigned docket numbers on all submissions and should use standard, not legal, size paper.

Informal Disposition - Informal disposition may be made of any case by written stipulation, agreed settlement, consent order, or default.

Prehearing Procedure - On the motion of the petitioner, the respondent, or the Administrative Law Judge, the parties may be directed to appear for a prehearing conference for the purpose of formulating issues and such other matters that may aid in the simplification of the proceedings and the disposition of the matters in controversy. The Administrative Law Judge may direct that other certain information be submitted, as specified in MDHS AP-18.

Conduct of Hearings - Subject to the Administrative Law Judge's rulings and orders, opportunity must be given to all parties to respond and present evidence and argument on all issues involved and to call witnesses. A recording of each hearing should be made. If a party fails to appear, it may forfeit all rights and be assessed the court reporter fee. The Administrative Law Judge may grant a postponement or continue the hearing for just cause based upon a written, advance request. The parties may conduct cross-examinations. Any motion relating to a pending proceeding, unless made during a hearing, must be in writing and specify the desired relief and the specific reasons and the basis for this relief. Hearings will be ordinarily open to the general public and as informal as reasonably possible. The Administrative Law Judge may request the parties to submit written statements of witnesses prior to the hearing so that the hearing will primarily be concerned with cross-examination and rebuttal. All participants and observers must show proper dignity, courtesy, and respect for the Administrative Law Judge and each other.

ADMINISTRATIVE HEARINGS**Section 13**

Order of Hearing Proceeding - The Administrative Law Judge may confer with the parties prior to the hearing to explain the order of the proceeding, admissibility of evidence, to discuss the number of witnesses and other matters. The Administrative Law Judge calls the meeting to order; introduces himself/herself and gives a brief statement of the nature of the proceeding; if applicable, calls upon petitioner's counsel and respondent's counsel to introduce themselves; states what documents the record contains; may administer oaths or affirmations or may ask court reporter to do so; asks the parties whether they wish to have all witnesses excluded from the hearing room except during their testimony; entertains preliminary motions, stipulations, or agreed orders; calls for opening statements by each party; questions witnesses at will, and adjourns the meeting after all evidence has been heard. During testimony, the petitioner and then the respondent questions witnesses, cross examines the other's witnesses, and redirects. The petitioner and respondent are allowed to call appropriate rebuttal and rejoinder witnesses within the established proceeding format.

Recommended and Final Decisions - Following hearing adjournment, the Administrative Law Judge will forward both the record and Recommended Decision to the MDHS Executive Director for adoption, modification, or reversal. The Final Decision of the MDHS Executive Director will be forwarded to the attorneys of record or to the petitioning party, if not represented by an attorney of record. The MDHS Executive Director's Office will maintain an appropriate record of that mailing. A party or attorney of record, notified by mailing of a Final Decision, is presumed to have been notified on the date such notice is mailed.

PROCEDURE FOR HEARING CONTESTED CASES

Section 1. SCOPE

Administrative Procedures under the Mississippi Administrative Procedures law, Section 25-43-1 et seq. of the Mississippi Code, include both rule making and contested cases by a state agency such as the Mississippi Department of Human Services (Department). Therefore, this procedure for hearing contested cases is promulgated and adopted as a rule (policy) of the Department pursuant to Sections 25-43-1 et seq. and 43-1-2(4) of the Mississippi Code, and therefore has the force and affect of law.

Basic to the administrative process is the right to a fair and adequate hearing in contested cases. Subject to any superseding federal or state statutes or regulations, as required by Section 25-43-15 and 43-1-17 of the Mississippi Code, this procedure for hearing contested cases of the Department applies to disputes in such matters as contracts between Contractors and the Department, subgrants made by the Department, Request for Proposals (RFP), and Administrative Bid matters, review of contested cases as required by Federal statutes or regulations and not to be heard under the Department's Fair Hearing Procedure, and other appropriate matters as determined on a case-by-case basis and approved by the Executive Director of the Department.

The Mississippi Administrative Procedures Law in Section 25-43-3(b) specifically excludes from the definition of contested case "disciplinary proceedings or agency action involving only employees of any agency." Likewise, the Mississippi Administrative Procedures Law in Section 25-43-3(c) excludes disputes relating to licensing regarding "any order, permit or license issued, granted, revoked, suspended, annulled or withdrawn by any state agency...." In addition the Fair Hearings Procedure set forth in the Department's Policy Manuals, Volume IV, Section M, page 8000 et seq. solely applies to "an applicant or recipient of services, an applicant or approved foster home parent and a prospective or approved adoptive parent" and specifically gives an applicant or recipient a right to appeal and have a fair hearing in the following:

- (1) Decisions regarding eligibility for social services;
- (2) Decisions relating to the payment of a fee for specified services;
- (3) Denial or opportunity to make application or reapplication for services;
- (4) Undue delay in reaching a decision on eligibility;

- (5) Refusal to consider a request for, or undue delay in, making a change in payment of fees; and
- (6) Suspension or discontinuance of service in whole or in part.

In addition, an actual dispute not addressed in the above, and not specifically excluded by law, may in fact be reviewed as a contested case under this procedure upon the agreement of the parties (both the Petitioner and the Respondent) and approval as such by the Department's Executive Director and the Chief Administrative Law Judge.

Section 2. AVAILABILITY AND CONDITIONS

Three conditions must be met before a hearing can be held under the jurisdiction of this procedure in a contested case:

- First, it must be a matter which can be reviewed as a "contested case" as authorized in Section 1 "Scope" above, or under a Federal or State statute, regulation or policy, and not a matter which is under the jurisdiction of the Department's Fair Hearing Procedure.
- Second, there must be a "final decision." The Petitioner must have received a written decision from the head of an office, a division, component, unit, or official of the Department. This constitutes the determination which frames the dispute. The "final decision" should be easy to identify, as it should contain an ending paragraph specifying the right to have same heard as a contested case under this procedure and contain a thirty (30) day deadline provision to request same. (See Section 4 below.) Should this language be omitted, such may indicate that the decision is not final. However, when a Contractor, Subgrantee, or Person is in doubt about whether a written decision is final and they are dissatisfied with the decision they should file a notice requesting a contested hearing under these procedures.
- Third, the request for review of a contested case under these procedures must be filed within thirty (30) days. The thirty (30) days runs from the date the Person receives the decision, not from the date the decision was mailed or dated. The clock stops running when the notice requesting a contested hearing is postmarked or hand-delivered to the Department's Executive Director's Office. Administrative mistakes or inefficiency will not be accepted as good reason for waiver of this thirty (30) day requirement. The petition for review under this procedure need not be lengthy or detailed. (See Section 5, "Petition for a Review" below.)

Section 3. DEFINITIONS AND TERMINOLOGY CLARIFICATIONS

- (1) **Contested Case** – The Mississippi Administrative Procedures Law generally defines “contested case” as a proceeding in which the legal rights, duties, or privileges of a party are required by rule, regulation, and statute to be determined by an agency following opportunity for a hearing, other than disciplinary proceedings and agency actions involving only employees of an agency. (See Mississippi Code Annotated, Section 25-43-3 et seq. and definitions in Section 1, “Scope” of this procedure for hearing contested cases.)
- (2) **Department** – The Department is the Mississippi Department of Human Services, an administrative agency of the State of Mississippi, created by Section 43-1-2(1) of the Mississippi Code, and “whose offices shall be located in Jackson, Mississippi.”
- (3) **Executive Director** – The Mississippi Code in Section 43-1-2(2) provides that “the chief administrative officer of the department shall be the Executive Director of Human Services.” Section 43-1-2(4) of the Mississippi Code specifically authorizes and delegates to the Executive Director, in addition to other responsibilities, authority, and powers granted by law, the following:

 - (a) To formulate the policy of the department regarding human services within the jurisdiction of the department;
 - (b) To adopt, modify, repeal and promulgates, after due notice and hearing, and where not otherwise prohibited by federal or state law, to make exceptions to and grant exemptions and variances from, and to enforce rules and regulations implementing or effectuating the powers and duties of the department under any and all statutes within the department’s jurisdiction, all of which shall be binding upon the county departments of human services;
 - (c) To apply for, receive and expend any federal or state funds or contributions, gifts, devises, bequests or funds from any other source;
 - (d) To enter into and execute contracts, grants and cooperative agreements with any federal or state agency or subdivision thereof, or any public or private institution located inside or outside the State of Mississippi, or any

person, corporation or association in connection with carrying out the programs of the department; and

- (e) To discharge such other duties, responsibilities and powers as are necessary to implement the programs of the department.
- (4) **Person** – A person is an individual, partnership, corporation, association, governmental subdivision or agency, or a public or private organization of any character.
- (5) **Grantor** – The Federal or State Government or other entity by which a grant or appropriation is made.
- (6) **Grantee** – One to whom a grant is made, e.g., receiving a sum of money to accomplish a particular goal or purpose. Every grantee has the burden of identifying, documenting, and justifying all its claimed costs and expenditures.
- (7) **Subgrant** – A subgrant is a payment or payments made to another person or other entity from a grant or appropriation received by the Department from a Federal or State Grant or appropriation, e.g., subgranted for the purpose of assisting the Department in executing all or a portion of the terms and obligations of the Grant or appropriation, and includes the duty to repay all or a portion of same, or to withhold same from a future subgrants or contracts, if any, when same is not expended in accordance with the subgrant agreement or the purpose outlined in the original Grant or approbation.
- (8) **Subgrantee** – A person, to whom a subgrant is made and includes what is to be performed, furnished, procured, or otherwise provided under the terms of a subgrant.
- (9) **Contract** – A contract is any written document (or series of documents) that obligates the Department to pay money or other valuable consideration to a person in exchange for goods or services from that person or that obligates the Department to provide goods or services in exchange for certain valuable consideration. Every Contractor has the burden of identifying, documenting, and justifying its claimed costs and expenditures.
- (10) **Contractor** – A Contractor is any person with whom the Department has a written contract and who has agreed to provide certain services, procurement, performance, or otherwise furnish what is required under a contract.
- (11) **Party** – Generally the only parties eligible to the proceedings under this procedure for hearing contested cases are the Petitioner and the Respondent. However, if the Administrative Law Judge determines, after consultation with the

parties, that a third Person is a valid party in interest, the Administrative Law Judge may allow the third Person to present the case on review for the Petitioner or to appear with a party in the review. The Administrative Law Judge may also allow other participation in which he deems that the intervenor has a clearly identifiable and substantial interest in the outcome of the dispute, or in which such participation would sharpen issues or be otherwise helpful in resolution of the disputes. Thus, the term “party” relates to those appearing in this procedure for hearing contested cases and may also include one admitted as a party, or one properly seeking and entitled as of right to be admitted as a party, and a person or agency admitted as a party for limited purposes.

- (12) **Request for Proposals (RFP), Administrative Bid Protest, and Procurement Action Following Protest** – A request for Proposal (RFP) is an invitation to prospective bidders to submit sealed bids to the Department in accordance with the terms of the request. Administrative Bid Protest applies to a prospective Bidder, Offeror, or Contractor that may be aggrieved by the solicitation of a contract, or to an actual Bidder, Offeror, or Contractor that may aggrieved by the award of a contract, or by a protest thereof. The term “Protest” denotes a complaint relating to the solicitation or reward of a procurement contract. A written protest under this procedure for hearing contested cases should include the number and name of the Request for Proposals (RFP),

a statement of reasons for the protests, and supporting exhibits, evidence, or documents, if available or the expected date when same shall be available, to substantiate the reasons for the protest, and same should be forwarded as soon as possible, and must be received by the Executive Director’s Office no later than thirty (30) days after the award decision is announced. Normally a procurement will not be halted after a contract has been awarded merely because a protest has been filed. However, in the event a protest is upheld, a contract which has been executed may be terminated in accordance with the provision of said contract.

- (13) **License** – The Mississippi Administrative Procedures Law in Section 25-43-3 defines license as follows: “ ‘License’ includes the whole or part of any agency permit, certificate, approval, registration, charter or similar form of permission required by law, but does not ... include any order, permit or license issued, granted, revoked, suspended, annulled or withdrawn by any state agency in compliance with statutory procedures or in compliance with published or in compliance with published rules and regulations adopted by such agency under statutory authority.”
- (14) **Chief Administrative Law Judge and Administrative Law Judges** – The Chief Administrative Law Judge is a Special Assistant Attorney General, having at least seven years’ experience in filing proposed and final rules (policy) under the Mississippi Administrative Procedures law for the Department and defending the

Department in contested hearings before the Departmental Appeals Board of the United States Department of Health and Human Services, and is herein delegated authority by the Executive Director to hear contested cases under this procedure and make Recommended Decisions in said contested cases to the Executive Director for consideration for possible adoption as the Final Decision of the Department. Should the case load warrant, other qualified Special Assistant Attorney Generals in the Human Services Section of the Mississippi Attorney General's Office may be delegated authority to hear contested cases under this procedure and make Recommended Decision in said contested cases on a case-by-case basis as approved by the Executive Director of the Department and Chief Administrative Law Judge. Both the Chief Administrative Law Judge and other qualified Administrative Law Judges, which in the future may be selected on a case-by-case basis, are hereby granted independent responsibility to provide these judicial functions under this procedure and shall enjoy absolute immunity from all liability.

- (15) **Petitioner** – The Petitioner in a contested case proceeding is the “moving” party, i.e., the party who has initiated the proceedings. The burden of proof is generally assigned to the party who seeks to change the present state of affairs with regard to any issue. The Petitioner usually bears the ultimate burden of proof and will therefore present their proof first at the hearing. However, each party has a burden of going forward with evidence and argument in response to that presented by the other party. A party with knowledge of facts pertinent to the case, and peculiarly within that party's knowledge or control, has a burden of supplying that information. The Administrative Law Judge makes all decisions regarding which party has the burden of proof on any issue. In such cases, the Administrative Law Judge determines the order of proceedings, taking into account the interest of fairness and simplicity.
- (16) **Respondent** – The respondent is the head of an office, a division, component, unit or official of the Department and is the party who is responding through counsel to the action for review brought by the Petitioner.
- (17) **Pleadings** – Pleadings are written statements of the facts of law which constitute a party's position in a contested case and which, when coupled with the other party's pleadings, will help define the issues being decided in the case. Pleadings may be in legal form such as a “Petition for Review” or “Answer.” However, when legal form is not practical, letter or other papers may serve as pleadings in a contested case to define the parties' positions and the issues in the case.
- (18) **Ex parte communication** - An ex parte communication is an improper oral or written communication to the Administrative Law Judge not on the public record, reasonable prior notice not having been given to all parties. This does not include requests for status reports on pending matters or proceedings under this procedure

for hearing contested cases. Also, this prohibition does not apply to discussions concerning strictly procedural matters, such as requests for extensions of time. However, no party or other person directly or indirectly involved in the proceedings shall submit to the Administrative Law Judge any evidence, argument, analysis, inquiry, or advice, whether written or oral, regarding any matter at issue in the proceedings, unless such submission is being made part of the record or made in the presence of all parties.

- (19) **Time** – “Days” are calendar days, unless otherwise specified. The following procedure is to be used to compute any period of time governing hearing procedures and which is allowed or prescribed by this procedure or by order of the Administrative Law Judge: the period begins on the day after the act or event in questions and concluded on the last day of that computed period, unless the last day is a Saturday, Sunday, or legal holiday, in which case the period runs until the end of the next day that is not a Saturday, Sunday, or legal holiday.

The Administrative Law Judge may at any time (a) with or without motion or notice, order the period enlarged if the request is made before the expiration of the period originally prescribed or as extended by previous order, or (b) upon motion mad after the expiration of the specified period, permit the act to be extended, where the failure to act was the result of excusable neglect. However, nothing in this section shall be construed to allow ex parte communications with the Administrative Law Judge regarding other issues pending in the case.

- (20) **Continuances** – Continuances may be granted by the Administrative Law Judge upon good cause shown in any stage of the proceedings. The need for a continuance shall be brought to the attention of the Administrative Law Judge as soon as practical.
- (21) **Default and Uncontested Proceedings** – The failure of a party to attend or participate in a prehearing conference, hearing or other stage of these proceedings after due notice thereof is cause for holding such party in default. Failure to comply with any lawful order of the Administrative Law Judge, necessary to maintain the orderly conduct of the proceedings, may be deemed a failure to participate and thereby be cause for holding of default. The Administrative Law Judge shall serve upon all parties, written notice of entry of default for failure to appear. The defaulting party, no later than ten (10) days after service of such notice of default, may file a motion for reconsideration requesting that the default be set aside for good cause shown, and stating the grounds for requesting relief.
- (22) **Place of Hearing and Knowledgeable Participants** – Hearings are to be held in a neutral place solely in Jackson, Mississippi and the parties should present witnesses or participants with first-hand knowledge of the matters at issue. The parties are expected to make knowledgeable participants and employees available

where necessary and to cooperate with the other party to obtain other participants. The Administrative Law Judge will make rulings on objections made by a party with regard to its obligation to present identified individuals as participants or witnesses. A party's witnesses or other participants should, in general, know the record and be prepared to explain how it supports that party's contentions.

- (23) **Representation by Self or Counsel** – Petitioners may represent themselves or, in the case of a corporation, may participate through duly authorized officer, director, or appropriate employee. Likewise, a Petitioner to these proceedings may be advised and represented, at the Petitioner's own expense, by an attorney licensed and authorized to practice law in Mississippi. A party may not be represented by a non-attorney, except in any situation where Federal law so requires or State law specifically so permits. After appearance of counsel has been made, all pleadings, motions, and other documents shall be served upon such counsel. Counsel wishing to withdraw shall give notice to the Administrative Law Judge and the other parties.
- (24) **Motions** – parties to these proceedings are encouraged to resolve matters on an informal basis; however, if efforts of informal resolution fail, any party may request relief in the form of a motion by serving a copy on all parties and filing an original copy and one working copy with the Office of the Administrative Law Judge. Any such motion shall set forth a request for all relief sought, and shall set forth grounds which entitle the moving party to relief. A party may request oral argument by conference telephone call on a motion. However, a brief memorandum of law submitted with the motion is preferable to oral argument. Each opposing party may file a written response to a motion, provided the response is filed within ten (10) days of the date the motion was filed.
- (25) **Supporting Documents** – Affidavits, depositions, admissions, answers to interrogatories and stipulations may be employed to supplement other documentary evidence in the record.
- (26) **Motion to Strike** – A party may move to strike from the pleading or record an insufficient allegation or redundant, immaterial, impertinent or scandalous matter.
- (27) **Disruptive Persons** – The Administrative law Judge has the following powers with respect to disruptive persons:
 - (a) Censure or reprimand;
 - (b) Admonishment;
 - (c) Holding the disruptive party in default;

- (d) Recess or continuance of the hearing;
 - (e) Spectators who disturb the orderly process of the hearing may be admonished or excluded from the hearing room. Any person whose conduct tends to threaten or harass any party, representative, attorney, witness, Department personnel, or the Administrative Law Judge himself may be removed from the hearing room.
- (28) **Integrity of the Process** – It is automatically presumed that all Persons and their representatives participating in these proceedings for hearing contested cases shall follow the process and procedure, as set forth herein, be orderly, timely, integrable, ethical, honest, decent, and be respectful of others in all aspects of these proceedings. For example, an integrable, ethical, and honest person is generally defined as a person who is truthful, sincere, forthright, straightforward, frank, candid; one who does not lie, deceive, act deviously, or unscrupulous; one who does not adopt an “ends-justifies-the-means” philosophy at the expense of principle; one who is willing to do what is right and ethical and admit their wrong and, where appropriate, change their positions; one who accepts responsibility for decisions and consequences of their actions or inactions; one who provides the Administrative Law Judge with all relevant information he needs to make an informed decision; and one who safeguards and advances the integrity of this procedure for hearing contested cases to avoid even the appearance of impropriety; and one who takes whatever actions are necessary to correct or prevent inappropriate testimony or conduct of others. This definition is not intended to create concerns, but rather to alleviate concerns on the part of all the parties and their representatives in these proceedings. It is expected that none of the above shall ever be a concern in any proceeding under these procedures. However, it should be noted that false dishonest statements or submissions may be the basis for criminal prosecution or other appropriate action.

Section 4. NOTICE OF ADVERSE ACT

Mississippi Code Annotated, Section 43-1-2(5), delegates authority to the Executive Director of the Department to create “any units necessary to implement the duties assigned the department and consistent with specific requirements of law, including but not limited to:

- (a) Office of family and Children’s Services;
- (b) Office of Aging and Adult Services;
- (c) Office of Economic Assistance;
- (d) Office of Community Services;

(e) Office of Support Services;

Section 43-1-2(6) of the Mississippi Code further provides inter alia as follows:

“The Executive Director of Human Services shall appoint heads of offices, and any necessary supervisors, assistants and employees who shall serve at the pleasure of the executive director. The executive director shall have the authority to organize offices as deemed appropriate to carry out the responsibility of the department.”

For example, heads of offices, divisions, components, or units, or other appropriate official of the Department in discharging their delegated responsibility from time-to-time will give written notice of an adverse final decision under a subgrant, a contract, a Request for Proposal (RFP) or other matter governed by these procedures and should in same conclude the notice with language as the following:

* * *

If you disagree with this decision you may request in writing a review of same under the Mississippi Department of Human Services' Procedure for Hearing Contested Cases, a copy of which is enclosed. Your written request for review of this decision should be sent or hand delivered within (30) days of your receipt of this letter to the following:

Executive Director
Mississippi Department of Human Services
421 West Pascagoula Street
Jackson, Mississippi 39203

The use of registered or certified mail should be used to establish the mailing date. Your letter requesting a review should indicate the issue in dispute and include a statement of your position and the reason that you believe this decision is wrong. A copy of this letter should be attached to your written request for review of this decision.

A copy of all correspondence relevant to this decision should be forwarded to this office.

* * *

Notices advising Contractors or Subgrantees of contract or subgrant of cancellations must specify the whether the contract or grant will remain in force pending completion of the review of the contested case process.

In addition, the heads of offices, division, components, or units, or other appropriate official of the Department should give a Contractor, Subgrantee, or Person a copy of these Procedures for

hearing Contested Cases should they inform them of their dissatisfaction with a final written adverse action. However, any request from any person to review same is first subject to review under the provision outlined above in Sections 1 and 2 of this procedure before any request for review will be docketed by the Administrative Law Judge.

Section 5. PETITION FOR REVIEW

A Contractor, Subgrantee, or Person dissatisfied with a final written decision (see Section 4 above) must file a written petition for review so that the Executive Director's office receives same within 30 days after the Contractor, Subgrantor, or person receives official final written notice of adverse action from a head of an office, division, component, or unit, or other appropriate official of the Department. As noted in Section 4 above, this request for review must be either hand-delivered or mailed within thirty (30) days to the Executive Director, Mississippi Department of Human Services, 421 West Pascagoula Street, Jackson, Mississippi 39203. This request may be in the form of a petition or a letter and should specify the name, address, and telephone number of the petitioner's representative. It must also include a copy of the Department's adverse action, a statement of the issue in dispute, and state reasons that the Contractor, Subgrantee, or Person considers they are not subject to the adverse action and why the adverse action is considered in error or is wrong.

If a request does not state specific reasons, the Administrative Law Judge, on his own motion or a motion from the Respondent's legal representative, may order the Contractor, Subgrantee, or Person to file a written statement of the specific reasons in this regard or show good cause that the reasons cannot be stated.

Upon receipt of the Contractor's, Subgrantee's, or Person's written request for review, the matter will be referred by the Executive Director's office to the Administrative Law Judge for the docketing and handling under these proceedings. A recommended decision will be subsequently returned to the Executive Director and the Executive Director may adopt same as the Final Decision of the Department, modify, or reverse same.

Section 6. REPRESENTATION FOR PETITIONER

Any Petitioner may appear in person, or be represented by a bona fide employee, or be represented, at the petitioner's own expense, by an attorney at law duly authorized to practice law (Unauthorized practice of law is not allowed under these proceedings) in the State of Mississippi. If the Petitioner is a corporation, an association, or a government entity, appearance may be by an officer, board member, or a bona fide employee of this Petitioner upon presentation of written authority. Attention is specifically called to what is allowed regarding any ex parte communication as defined in Section 2(18) above during the course of the proceedings to ensure the independent decision-making responsibility herein granted the Administrative law Judge.

Section 7. RESPONDENT'S LEGAL REPRESENTATIVE

The Respondent shall be represented by the Special Assistant Attorney General(s) who normally provides counsel to the head of the office, division, component, unit, or other appropriate official of the Department who is issued the final decision for review under this procedure in hearing contested cases. However, one Special Assistant Attorney General should be designated as lead counsel and should sign all pleadings and have the ultimate responsibility and authority over the manner and substance of the presentation of Respondent's case. Attention is specifically called to what is allowed to ensure the independent decision-making responsibility herein granted the Administrative Law Judge.

Section 8. HEARINGS AND RECOMMENDED DECISION ON THE RECORD

If the Petitioner believes a hearing is not appropriate, e.g., because material facts are not in dispute, the Petitioner should specifically request a recommended decision on the record and briefing at the earliest time possible. However, the Respondent may request a hearing or the Administrative Law Judge may schedule a hearing on his own motion if he believes there are complex issues or material facts in dispute, the resolution of which would be significantly aided by a hearing, or if decision-making otherwise would be enhanced by oral presentations and arguments in an adversary, evidentiary hearing. The Administrative law Judge will also provide a hearing if otherwise required by law or regulations. The written notice of the hearing will include statement of the time and location in Jackson, Mississippi where the hearing is to be held.

Section 9. PREPARATION OF CASE FILE AND WRITTEN ARGUMENTS

Each party should provide a thorough statement of the facts giving rise to the dispute and develop legal arguments on the issues raised by the facts. Whenever possible, the parties should stipulate material facts where appropriate. The parties should not include duplicated material such as copies of documents which the Administrative Law Judge has issued (such as acknowledgement letters and ruling on motions) or documents already provided to the Administrative Law Judge by either the Petitioner or the Respondent.

If a party fails to comply with an order, deadline, or other requirement of the Administrative Law Judge he can dismiss an appeal or proceed to Recommended Decision based on the existing record or take other appropriate action. Ordinarily, failure to develop the record on a matter material to the Administrative Law Judge's Recommended Decision will have an evidentiary impact, in that he may preclude further submissions by the noncomplying party or draw an adverse inference from the failure to produce.

The **Petitioner**, within thirty (30) days after requesting a review of adverse action, should submit a original and one working copy to the Administrative law Judge (with a copy to the Respondent) of the following:

- (1) A case file containing the documents supporting Petitioner's position, pages numbered, exhibits tabbed, and organized chronologically and accompanied by an indexed list identifying each document. The Petitioner should include only those documents which are relevant to the issues in the case.
- (2) A written statement of the Petitioner's arguments concerning why the Respondent's adverse action is considered in error (Petitioner's brief).

The **Respondent** within thirty (30) days after receiving the Petitioner's submission shall submit the following to the Administrative Law Judge (with a copy to the Petitioner):

- (1) A supplement to the case file containing any additional documents supporting the Respondent's position, also organized, tabbed, and indexed. The Respondent should avoid submitting duplicates of documents submitted by the Petitioner.
- (2) A written statement (Respondent's brief) responding to the Petitioner's brief.

The Petitioner, within fifteen (15) days after receiving the Respondent's submission, may submit a short reply. The Petitioner should avoid repeating arguments previously set forth.

Occasionally, the Administrative Law Judge will request supplementary information or briefing from one or both parties when he believes further development in an area is needed to produce a better recommended decision.

Only the Administrative Law Judge may grant an extension of time to make a required submission. If an extension of time is needed to make a filing, the other party should be first consulted whether they have any objection before they contact the Administrative Law Judge. The other party's agreement or disagreement does not mean that an extension will automatically be granted or denied, but this is a necessary first step. The request must be made before the time deadline has passed and must state the specific reason why an extension is needed. If the request is made in writing the party making the request must make sure that the request reaches the Administrative Law Judge Office before the deadline.

Section 10. AUTHORITY AND RESPONSIBILITIES OF THE ADMINISTRATIVE LAW JUDGE

In addition to delegated powers specified elsewhere in these procedures, the Administrative Law Judge hereby is authorized and further empowered to issue orders (including "show cause"

orders); to administer oaths and affirmations and to hear and examine witnesses; to take all steps necessary for the conduct of an orderly hearing; to rule on requests and motions, including motions to dismiss; to grant extensions of time for good reason; to dismiss cases for failure to meet deadlines and other requirements; to close or suspend cases which are not ready for review; to order or assist the parties to submit relevant material, information, and evidence and to rule upon offers of proof and objections; to remand a case for further action by the Respondent; to waive or modify these procedures in a specific case in the interest of justice with notice to the parties; to compile the record of proceedings and make a Recommended Decision (See Section 17 below); to make a Recommended Reconsideration Decision (See Section 18 below); and to take any other action necessary to resolve disputes in accordance with the objectives of these procedures. The Administrative Law Judge shall enjoy absolute immunity from all liability and shall have decisional independence throughout this process and under these administrative proceedings.

Section 11. FILING OF DOCUMENTS

All documents relating to any pending docketed proceeding must be filed with the Office of the Administrative Law Judge. The documents are considered “filed” only when received and the date on same stamped.

Parties must put the assigned docket number on all submissions and should use regular-size paper (not legal size). All submissions after the notice of appeal should be made in an original for the official record and one working copy, the latter not included as part of the official record, to the Administrative Law Judge. Markings and notes made on the working copies are strictly confidential to the Administrative Law Judge and these working copies are not subject to inspection by the parties or their representatives. Copies of all submissions after the notice of appeal must also be sent simultaneously to the other party. Each submission should contain a statement that a copy of the submission has been sent to the other party, identifying when, and to whom, the copy was sent. Unless a submission is hand-delivered or express-mailed to the Administrative Law Judge, registered or certified mail is necessary.

Section 12. INFORMAL DISPOSITION

Informal disposition may be made of any case by written stipulation, agreed settlement, consent order, or default.

Section 13. PREHEARING PROCEDURE

(1) Prehearing Conference

On the motion of the Petitioner or the Respondent or on his own motion, the Administrative Law Judge may direct the parties and their attorneys or representatives to appear before him at a specified time and place for a conference prior to the actual hearing for the purpose of formulating issues and considering:

- (a) the possibility of making admissions of certain averments of facts or stipulations to avoid the unnecessary introduction of proof;
- (b) the simplification of issues;
- (c) the procedure at the hearing;
- (d) the limitation, when possible, of the number of witnesses; and
- (e) such other matters as may aid in the simplification of the proceedings and the disposition of the matters in controversy, including settlement of such issues as are in dispute.

The Administrative Law Judge may direct that one or more of the following be transmitted by each party to all other parties or their representatives, and to the Administrative Law Judge, by the date established by the Administrative Law Judge:

- (a) a list of witnesses the party desires to testify and a brief narrative summary of their expected testimony;
- (b) a written statement of the disputed issues for consideration at the hearing;
- (c) a copy of any written statements to be offered at the hearing;
- (d) a copy of other written testimony or documentary evidence the party intends to use at the hearing.

(2) Discovery and Production of Documents and materials for Inspection, Copying, or Photographing

Upon the timely motion of any party and notice to the other party, the Administrative law Judge may order any party to produce and permit the inspection and copying or photographing by or on behalf of the moving party any of the following that are in his possession, custody, or control: any designated relevant documents, papers, books, accounts, letters, photographs, objects, or tangible things, not privileged, which contain, or are reasonably calculated to lead to the discovery of, evidence material to any relevant matter involved in the action.

The order must specify the time, place, and manner of making the inspection and taking the copies and photographs, and may prescribe such terms and conditions as are just and fair under the circumstances.

The identity and location of any potential party or witness may be obtained from any communication or other paper in a party's possession, custody, or control; any party may be required to produce and permit reports, including factual observations and opinions of an expert to be called as a witness, to be inspected and copied. The rights granted in this item may not extend to other written statements of witnesses or other written communications passing between agents or representatives or the employees of any party and his agents, representatives, or other employees, where made subsequent to the occurrence or transaction upon which this matter is based or of a privileged attorney-client communication.

Any person, whether or not a party, is entitled to obtain, upon request, a copy of any statement he has previously made concerning this case or its subject matter, which is in any party's possession, custody, or control. If the request is refused, the person may move for an order according him this item. For the purpose of this item, a statement previously made is:

- (a) a written statement signed or otherwise adopted or approved by the person making it, or
- (b) a stenographic, mechanical, electrical, or other recording or a transcription of the same statement, which is a substantially verbatim recital of an oral statement by the person making it and contemporaneously recorded.

(3) Nonparty Discovery

The Administrative Law Judge may order a person, organizational entity, governmental agency, or corporation not a party to the hearing to produce discoverable information. He may make this order only after a motion specifically stating the request and necessity for it is filed. All parties and those who are not parties must have the opportunity to object in writing to the motion. At his own discretion, the Administrative Law Judge may hold a hearing on the motion.

(4) Admission of Facts and of Genuineness of Documentation

Any time after the Administrative Law Judge has acknowledged in writing a Petitioner's request for review, a party may deliver, or have delivered to any other party, a written request for admission of facts and genuineness of documents.

(5) Interrogatories to Parties

Any time after the Administrative Law Judge has acknowledged a Petitioner's request for review, any party may serve interrogatories upon any other party. The number of questions is limited to no more than twenty-five (25) unless an additional number is approved by the Administrative Law Judge.

(6) Telephone Conference Calls

A party may request a telephone conference at any time; often, however, the Administrative Law Judge decides that a telephone conference is necessary and contacts the parties by telephone or letter to set a time. Once the Petitioner and Respondent's representative are on the line, the Administrative Law Judge will identify the case by Petitioner and docket number, state the purpose for holding the call, and possibly requests the parties' representatives to identify themselves. Frequently the telephone conference will be tape recorded after informing the parties of the taping (to which they may object). If a party objects, the conference will generally not be recorded, and an acceptable method of including the contents or results of the conference into the record will be discussed with the parties. The Administrative Law Judge will usually send a statement of the results of the call or indicate what transpired in or as a result of the call, giving the parties a brief opportunity to note in writing any major error. For example, a telephone conference may be utilized for the following:

- (a) as the first step in the review process, to discuss, such matters as appropriate procedures and the substantive issues presented in the case;
- (b) to discuss procedures, motions, or other requests for rulings, or to discuss or clarify the substantive issues;
- (c) to discuss requests for discovery;
- (d) to discuss a request for a hearing or conference;
- (e) to reach agreement on whether there are disputed material facts; or
- (f) to facilitate the parties' settlement discussions, etc.

Section 14. INTERVENTION

All petitions to intervene in a pending contested case shall state any and all facts and legal theories under which a prospective Intervenor claims an interest relating to the case and that the disposition of the case may as a practical matter impair or impede their ability to protect that interest; whether this prospective Intervenor claim, and the main case, have a question of law or fact in common; whether the prospective Intervenor interests are adequately represented; and whether admittance of a new party will render the contested hearing unmanageable or will interfere with the interests of justice and the orderly conduct of the proceedings. In deciding a petition to intervene, the Administrative Law Judge may impose conditions upon the Intervenor's participation in the proceedings.

Section 15. CONDUCT OF HEARINGS

(1) The Administrative Law Judge is in charge of proceedings. The Administrative Law Judge has the authority to administer oaths, examine witnesses, issue subpoenas and commissions, and rule on admissibility of evidence and amendments to pleadings. He also may establish reasonable time limits for conducting individual hearings, request additional information, and issue intermediate orders. The Administrative Law Judge has the authority to issue any orders necessary to enforce his rulings. These include, but are not limited to,

- (a) exclusion of evidence or witnesses;
- (b) exclusion of oral argument;
- (c) summary orders or default judgment on any issues;
- (d) postponement or dismissal of the hearing with or without prejudice.

(2) Subject to the Administrative Law Judge's rulings and orders, opportunity must be given to all parties to respond and present evidence and argument on all issues involved.

(3) The Petitioner and the Respondent will have an opportunity to call any witnesses desired, but within limits set by Administrative Law Judge.

(4) If the party or his representative is notified of the hearing and neither is present at the hearing, all matters stated in evidence introduced at the hearing may be considered as uncontroverted by the party failing to appear.

(5) The Administrative Law Judge may grant a postponement or continue the hearing for just cause. A motion for continuance of the hearing must be in writing and must be filed with the Administrative Law Judge at least seven days before the date set for the hearing. The party making the motion must state that such is not for the purpose of delay and must also include the

specific grounds for the action and refer to all prior motions for continuance filed in the same proceeding. A copy of the motion must be served on the other party under a certificate of service. Failure to comply with the provisions of this item, except for good cause shown, may be construed as lack of diligence by the party making the motion; and, at the discretion of the Administrative Law Judge, is grounds for refusing the motion. Once an action has proceeded to a hearing, according to the notice issued concerning the hearing, no postponement or continuance may be granted without the consent of all involved.

(6) A recording of each hearing should be made. If requested by the Administrative Law Judge, the recording may be transcribed and a transcription given to the parties. Any costs associated with recording and transcribing the hearing may be assessed to one or more parties. If a party desires an official court reporter, they should so notify the Administrative Law Judge and that party must pay all costs associated with the same or share the costs as agreed with the other party. If a party fails to appear at a hearing and a default decision is entered against that party, the Administrative Law Judge may assess court reporter costs, if any, against the defaulting party.

(7) The parties to the hearing may conduct cross-examinations required for a full and true disclosure of the facts.

(8) Before or during the hearing, the Administrative Law Judge may call or request any party to call a witness or witnesses that the judge believes necessary to make a final decision. Upon notifying all parties, the Administrative Law Judge may communicate with department employees who have not participated in the hearing for the purpose of using the special skills or knowledge of the agency and its staff in evaluating the evidence. The Administrative Law Judge may allow all parties to be present during such communication and, at his sole discretion, may allow parties to question the employee. The employee's communication is not part of the hearing and need not be recorded.

(9) Any motion relating to a pending proceeding, unless made during a hearing, must be in writing and specify the desired relief and the specific reasons and basis for this relief. If based upon matters which do not appear of record, it must be supported by affidavit. Motions must be filed with the Administrative Law Judge and copies sent to all parties under certificate of service. Failure to comply with the provisions of this item, except for good cause shown, is grounds for the Administrative Law Judge to refuse the motion.

(10) Hearings will be ordinarily open to the general public and as informal as reasonably possible, keeping in mind the need to establish an orderly record. The Administrative Law Judge will admit evidence unless it is determined to be clearly impertinent, immaterial or unduly repetitious, so the parties should avoid frequent objections to questions and documents. Since the parties have ample opportunity to develop a complete case file, a party may introduce an exhibit at the hearing only after explaining to the satisfaction of the Administrative Law Judge why the exhibit was not submitted earlier (for example, because the information was not available).

(11) The Administrative Law Judge may request the parties to submit written statements of witnesses prior to the hearing so that the hearing will primarily be concerned with cross-examination and rebuttal.

(12) At all hearings, each party, witness, attorney, representative, or other person must show proper dignity, courtesy, and respect for the Administrative Law Judge and others participating in or observing the hearing. The Administrative Law Judge is authorized to act as he considers necessary and appropriate to maintain proper decorum and conduct. Actions may include, but are not limited to, recessing the hearing to be reconvened at another time or location in Jackson, Mississippi or excluding from the hearing any party, witness, attorney, representative, or other person for a period and under the conditions that the Administrative Law Judge considers fair and just.

Section 16. ORDER OF HEARING PROCEEDING

A general outline as to the conduct of a contested case proceeding is offered here for the benefit of the parties. However, a departure from same in order to expedite or insure the fairness of a proceeding would not be a violation of this section:

(1) Administrative Law Judge may confer with the parties prior to the hearing to explain the order of proceedings, admissibility of evidence, to discuss the number of witnesses and other matters.

(2) Hearing is called to order by the Administrative Law Judge.

(3) Administrative Law Judge introduces himself and gives a brief statement of the nature of the proceedings, including a statement of the Administrative Law Judge's role in making legal rulings.

(4) Administrative Law Judge calls upon Petitioner to ask if the Petitioner is represented by counsel and if so, counsel is asked to introduce himself for the record. The Administrative Law Judge then requests Respondent's counsel and any other officials who may be present at the hearing to introduce themselves.

(5) The Administrative Law Judge states what documents the record contains.

(6) Either the Administrative Law Judge or court reporter may administer the oath or affirmation to witnesses.

(7) The parties are asked whether they wish to have all witnesses excluded from the hearing room except during their testimony. If so, all witnesses are instructed not to discuss the

case during the pendency of the proceeding. Notwithstanding the exclusion of the witnesses, parties will be permitted to stay in the hearing room, and the Petitioner and the Respondent may have one appropriate person, who may also be a witness, act as their party's representative.

- (8) Any preliminary motions, stipulations, or agreed orders are entertained.
- (9) Opening statements are allowed by both the Petitioner and the Respondent.
- (10) Petitioner calls witnesses, and questioning proceeds as follows:
 - (a) Petitioner questions.
 - (b) Respondent cross-examines.
 - (c) Petitioner redirects.
 - (d) Respondent re-cross-examines.
 - (e) Administrative Law Judge questions.
 - (f) Further questions by Petitioners and Respondent with questions proceeding as long as is necessary to provide all pertinent testimony.
- (11) Respondent calls witnesses and questioning proceeds as follows:
 - (a) Respondent questions.
 - (b) Petitioner cross-examines.
 - (c) Respondent redirects.
 - (d) Petitioner moving party re-cross-examines.
 - (e) Administrative Law Judge questions.
 - (f) Further questions by Respondent and Petitioner, the questioning proceeding as long as is necessary to provide all pertinent testimony.
- (12) Petitioner and Respondent allowed to call appropriate rebuttal and rejoinder witnesses with examination proceeding as outlined above.
- (13) After all evidence has been heard, the Administrative Law Judge will adjourn the hearing.

Section 17. RECOMMENDED AND FINAL DECISIONS

Following the adjournment of the hearing, both the Record and Recommended Decision of the Administrative Law Judge will be forwarded only to the Executive Director of the Department for review and consideration. The Executive Director may adopt the Recommended Decision, modify the Recommended Decision, or reverse the Recommended Decision as the Final Decision of the Department. The Executive Director's Office will subsequently forward the Final Decision of the Department, along with a copy of the Recommended Decision of the Administrative Law Judge, to the attorneys of record or, if a Petitioner is not represented by an attorney of record, the Final Decision will be forwarded to that party. The Executive Director's Office will maintain an appropriate record of that mailing of a Final Decision is presumed to have been notified on the date such notice is mailed.

Section 18. RECONSIDERATION

The Administrative Law Judge may further make a Recommended Reconsideration Decision in writing and forward same to the Executive Director of the Department for consideration, in cases in which a party, within twenty (20) days after receiving the Final Decision and accompanying Recommended Decision of the Administrative Law Judge, alleges in a petition to the Administrative Law Judge, with a copy to the Executive Director of the Department, a clear error of fact or law. The Administrative law Judge may ask the opposing party to respond to the request. The Executive Director of the Department may adopt the Recommended Decision, modify the Recommended Reconsideration Decision, or reverse the Recommended Administrative Decision as the Final Reconsideration Decision of the Department. Parties should view petitions for reconsideration as an exceptional process, not merely as another progressive step in the proceedings.

DEBARMENT AND SUSPENSION**Section 14****POLICY**

In order to protect the public trust imposed upon the Mississippi Department of Human Services (MDHS) and its involvement with subgrantees, it is the policy of the agency to conduct business only with responsible persons/subgrantees. Therefore, the applicable MDHS Funding Division shall verify the suspension/debarment status of any potential subgrantee, prior to contracting with the subgrantee and shall maintain written documentation of the verification. In addition, the MDHS subgrantee shall verify the suspension/debarment status of his/her lower-tier subrecipient(s) prior to contracting with the lower-tier subrecipient and shall maintain written documentation of the verification. When it appears that a subgrantee's conduct, as determined by the agency, creates a reasonable belief that a particular act or omission has occurred, MDHS shall implement discretionary actions known as debarment and suspension, possibly leading to termination. A subgrantee and/or a lower tier subrecipient who is debarred or suspended shall be excluded from agency financial and nonfinancial assistance and benefits. These are serious actions which shall be used only in the public interest and for the agency and State of Mississippi's protection and not for purposes of punishment.

Coverage

This policy shall apply to all persons/subgrantees who are currently participating in transactions under state nonprocurement programs. For purposes of these regulations, transactions shall be referred to as covered transactions which may be subdivided into (1) primary covered transactions, i.e., any nonprocurement transaction between MDHS and the subgrantee, regardless of type, or (2) lower tier covered transactions, i.e., transactions between subgrantee and another (other than a procurement contract for goods or services), regardless of type, under a primary covered transaction.

Effect of Action

Except to the extent prohibited by law, subgrantees that are debarred or suspended shall be excluded from primary covered transactions and lower tier covered transactions for the period of their debarment or suspension.

DEBARMENT

The MDHS Executive Director, or its designee, after consultation with the appropriate Division Director, may debar a subgrantee for any of the causes noted below. However, the existence of a cause for debarment does not necessarily require that the subgrantees acts or omissions and any mitigating factors shall be considered in making a debarment decision. Debarment means, for purposes of this agency, an action taken by the agency in accordance with these regulations to exclude a subgrantee from participating in a covered transaction.

DEBARMENT AND SUSPENSION**Section 14****Causes for Debarment**

Debarment may be imposed for:

- a. Conviction, plea agreement of guilt or civil judgment for:
 1. Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;
 2. Violation of Federal or State antitrust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging;
 3. Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, or obstruction of justice; or
 4. Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person/subgrantee.
- b. Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:
 1. A willful failure to perform in accordance with the terms of one or more public agreements or transactions;
 2. A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or
 3. A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.
- c. Any of the following causes:
 1. A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of these regulations, or a procurement debarment by any Federal agency taken pursuant to 45 CFR Part 76; and
 2. Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted by the agency.

DEBARMENT AND SUSPENSION**Section 14****Procedures**

MDHS shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness.

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official, MDHS Executive Director, or its designee, may issue a notice of proposed debarment.

Notice of Proposed Debarment

A debarment proceeding shall be initiated by notice to the respondent advising:

- a. The debarment is being considered;
- b. The reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;
- c. The reasons covered in “Causes for Debarment” above;
- d. The provisions regarding investigations, notice of proposed debarment, an opportunity to contest proposed debarment and a final decision; and
- e. The potential effect of a debarment.

Opportunity to Contest Proposed Debarment

- a. Submission in Opposition

Within 30 days after receipt of the notice of proposed debarment, the respondent may submit to the MDHS Executive Director, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

- b. Additional Proceedings As to Disputed Material Facts

1. In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

DEBARMENT AND SUSPENSION**Section 14**

2. A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

Debarring Official's Decision**a. No Additional Proceedings Necessary**

In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

b. Additional Proceedings Necessary

1. In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.
2. The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.
3. The debarring official's decision shall be made after the conclusion of the proceedings with respect to disputed facts.

c. Standard of Proof

1. In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.
2. The burden of proof is on the agency proposing debarment.

d. Notice of Debarring Official's Decision

1. If the debarring official decides to impose debarment, the respondent shall be given
 - i. Referring to the notice of proposed debarment;

DEBARMENT AND SUSPENSION**Section 14**

- ii. Specifying the reasons for debarment;
 - iii. Stating the period of debarment, including effective dates; and
 - iv. Advising that the debarment is effective for covered transactions throughout the agency.
2. If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice to a subsequent imposition of debarment by any other agency.

Settlement and Voluntary Exclusion

When in the best interest of the agency, MDHS may, at any time, settle a suspension action.

Period of Debarment

- a. Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.
- b. The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest.

SUSPENSION

Suspension is a serious action to be imposed only when there exists adequate evidence, as set out below, and immediate action is necessary to protect the public interest. For purposes of this agency, suspension is an action taken by the agency in accordance with the following regulations that immediately excludes a subgrantee from participating in covered transactions for a temporary period, pending investigation and such legal action, debarment, or other proceedings as may ensue.

Causes for Suspension

Suspension may be imposed upon adequate evidence to suspect the commission of a debarment offense as listed in “Causes for Debarment” section above. Indictment shall constitute adequate evidence for purposes of suspension actions.

DEBARMENT AND SUSPENSION**Section 14****Procedures**

Investigation and referral - Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

Notice of Suspension

When a respondent is suspended, notice shall be immediately given:

- a. That suspension has been imposed;
- b. That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further State Government dealings with the respondent;
- c. Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the State Government's evidence;
- d. Of the cause(s) relied upon above for imposing suspension;
- e. That the suspension is for a temporary period pending the completion of an investigation or ensuing legal action, debarment, or other proceedings;
- f. Of the notice of suspension, the opportunity to contest suspension, and the suspending official's decision; and
- g. Of the effect of the suspension.

Opportunity to Contest Suspension

- a. Submission in Opposition

Within 30 days after receipt of the notice of suspension, the respondent may submit to the MDHS Executive Director, in person, in writing, or through a representative, information and argument in opposition to the suspension.

DEBARMENT AND SUSPENSION**Section 14****b. Additional Proceedings as to Disputed Material Facts**

1. If the suspending official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses and confront any witness the agency presents, unless the action is based on an indictment, conviction or civil judgment as described in the “Causes for Debarment” section above.
2. A transcribed record of any additional proceedings shall be prepared and available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement of a transcript.

Suspending Official's Decision

The suspending official may modify or terminate the suspension or may leave it in force. A decision to modify or terminate the suspension shall be without prejudice, to the subsequent imposition of debarment. The decision shall be rendered in accordance with the following provisions:

a. No Additional Proceedings Necessary

In actions based on an indictment, conviction, or civil judgment in which additional proceedings to determine disputed material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of law enforcement advice, the suspending official shall make a decision on the basis of all information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

b. Additional Proceedings Necessary

In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record. The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious, or clearly erroneous.

DEBARMENT AND SUSPENSION

Section 14

c. Notice of Suspending Official's Decision

Prompt written notice of the suspending official's decision shall be sent to the respondent.

Period of Suspension

Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal action, debarment, or other proceedings, unless terminated sooner by the suspending official.

If legal or administrative proceedings are not initiated within 12 months after the date of suspension notice, the suspension shall be terminated, unless the Executive Director receives a request from the applicable MDHS funding Division Director and determines that this time should be extended.
